

Being a column in which the publisher just "blows off the steam" . . .

By JUNE JONES

A HAMLIN DOCTOR really had a tough case on his hands the other day. The following conversation is reported to have transpired:

"Doctor," said the patient, rushing into the physician's office, "you have just got to do something about this insomnia of mine. It's driving me crazy."

"Now, now," soothed the medic, "surely it can't be as bad as all that."

"It can't, eh? Why, I can't sleep even when it's time to get up!"

EVERY PERSON has a definite niche to fill in this old world, though many times it may seem insignificant. Some unknown author has written:

I'm but a cog of life's vast wheel. That daily makes the same old trip;

Yet, what a joy it is to feel That but for me the world might slip!

'Tis something after all to jog Along, and be a first class cog!

WE WERE THINKING the dry weather was getting pretty bad in these parts until our Dad returned Sunday from a week-end spent at the Lazy J Ranch down south of Junction.

He declared that the section down there was really dry, and that livestock were suffering from green grazing.

"A neighbor told me," he reported, "that his rain gauge had registered only .6 of an inch of rain since September 20."

While the major streams are still running down there, Pop reported that the fish have been getting out on the banks and catching their own grasshoppers.

AN OLD YARN recently has started the rounds of these parts. We reprint it for a picture of human nature.

A little man entered a cafe, leaving the door open. A big fat man boomed:

"Shut the door! Were you brought up in a barn?"

The little man went back, shut the door, sat down, and began to cry. The fat man got uneasy, walked over and said, "I'm sorry I hurt your feelings."

The little man said, "That's all right. It just makes me homesick every time I hear a jackass bray."

THREE BOY SCOUTS were at a Scout meeting and told the Southmaster they had done their good deed that day.

"Well, boys, what did you do?" asked the master.

"We helped an old lady across the street a little while ago," chimed the boys in unison.

"And did it take all three of you to do that?" asked the master suspiciously.

"Yes, it did," again chimed the boys. Then the smallest one of the three added, "She didn't want to go."

MAYBE OUR using one of those clever little traffic safety rhymes recently released by the traffic safety division of the Texas Highway Department may cause some reckless driver to ponder. Here's one of them:

Boil and bubble,  
Wreck and rubble—  
He didn't see  
The tracks were double!

THE TRUTH will usually come out, reasons the average youngster nowadays. But the young 'uns are not constrained to reveal more than they think will eventually be known anyway. One small boy gives the following definition of conscience: The thing that makes you tell your mother before your sister does.

GROW OLD along with me, the best is yet to be, some poet penned years ago. Which reminds one that:

Vanderbilt at 80 added more than a hundred million to his fortune.

Wadsworth earned the Laureateship at 73.

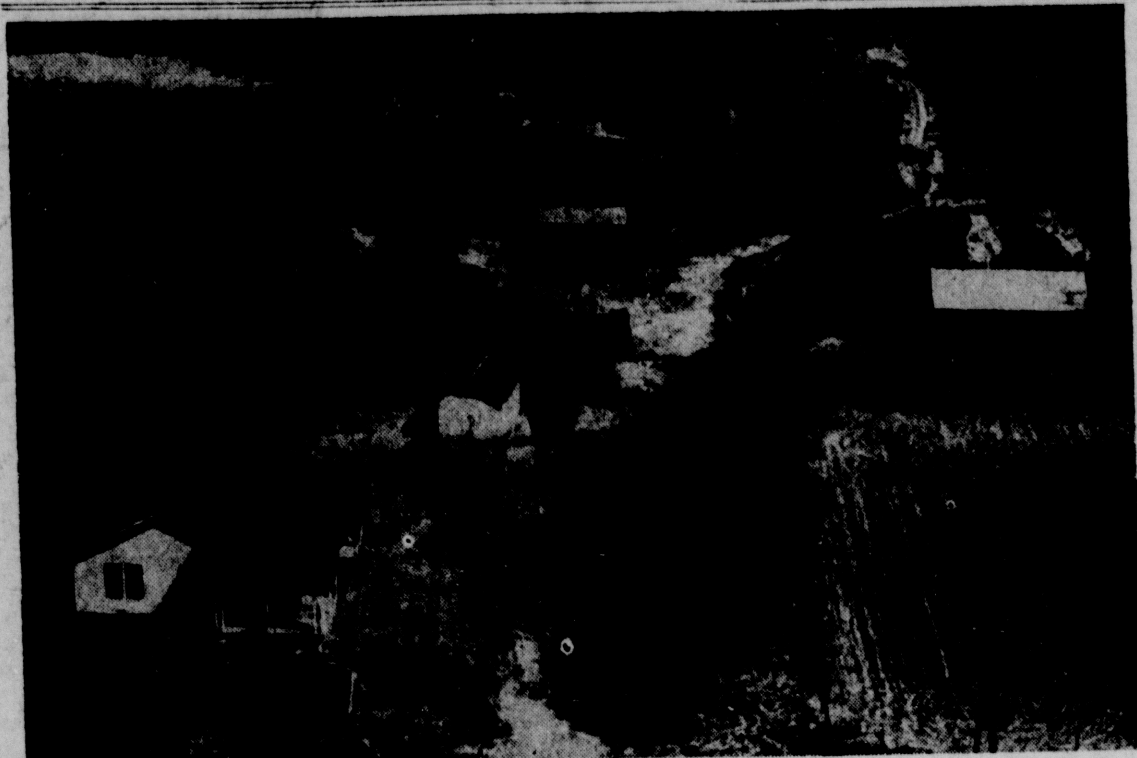

Thiers at 73 established the French Republic and became the first president.

Verdi wrote "Falstaff" at 80.

Gladstone became premier of England for the fourth time at 83.

Stradivari made his first violin after 60.

And Sir Walter Scott was 100,000 in debt at 55, but through his own efforts paid this amount in full, and built a lasting name for himself.

ANOTHER IN THE SERIES of Mystery Farm Pictures being run by The Herald is shown above. First person, other than the owner and his family, to correctly identify the view will be given a one-year subscription to Your Home Town Paper. In order to give readers of the paper living on the rural routes an equal chance at the identifying, no answers will be accepted before 1:00 p. m. Friday, either in person or telephoning to the paper office. The original aerial picture will be presented to the owner by The Herald.

## Increased Allotments Aim of Measure Now in Congress

### Farmers Believe Move is Late But Will Help Section

Congressman Omar Burleson of Anson and Congressman W. R. Poage of Waco have introduced bills in the Legislature at Washington that would provide additional acreage for the six basic crops in areas of general crop failure, to be effective for 1955 and subsequent years, according to a release to The Herald from the nation's capitol.

While many Hamlin area farmers feel the action is taking place a little late for effective use this crop year, they are gratified that attention is being given their plight of four nearly complete crop failures. The acreage allotments imposed on them prohibit farmers to make much comeback after the failures of recent years.

The bill provides for temporary additional acreage in areas where the secretary of agriculture finds that a natural disaster has reduced the average yield for the immediately preceding two years to less than 50 per cent of the highest average yield for such areas for any three consecutive years of the preceding 10 years.

In the case of cotton, wheat and corn the secretary shall allot to each eligible farm such additional acreage as may be requested by growers.

In the case of peanuts, rice and tobacco, he shall allot to each eligible farm an allotment equal to

See ALLOTMENTS—Page 3

## 1955 Annuals for Hamlin High School Released on Monday Reveal Favorites

Monday was a big day at Hamlin High School when the 1955 yearbooks were distributed to the more than 200 students, teachers and others. The 1955 Piper has a dark green padded cover with a black background.

The new yearbooks were distributed in a special assembly session in the auditorium. Editor

### DePriest School Group Places in State Meet

Representatives of the DePriest Colored School of Hamlin further distinguished themselves last Friday when they participated in the state interscholastic League contests at Prairie View College.

The girls' vocal quartet composed of Vinita Mayfield, Vera Lee Haley, Clementine Turner and Joanne Logan, placed first in the state. The boys' quartet composed of Jesse Gilbert, James Laury, Speedy Baldwin and Dan Carrs placed second.

Other participants were William Henry Brown, junior declaimer; and Charles E. Mitchell, senior declaimer.

PREACHING in an eight-day revival meeting beginning Sunday at the Sunset Missionary Baptist Church, located across the street from the Junior High School, Northwest Avenue D and Northwest Fourth Street, will be J. S. Sheppard (above) of Jacksonville, formerly pastor at Hamlin. The services will continue through May 8.

### New Coach to Confer With Officials Today

New head coach at Hamlin High School, Truman Nix, is due to meet today (Friday) with Superintendent I. R. Huchingson and other school officials in connection with naming of two assistants for the coming term.

Nix was named recently to succeed Vernon Townsend, who has accepted a post at Vernon. Nix will recommend his two assistants.

Judy Brannon introduced her staff that has worked on the book. The dedication was read, the annual being dedicated to Mrs. Austin Poe, and she was presented the first copy of the yearbook.

Favorites who had been kept a secret by the staff also were revealed with release of the Piper. They were: Betty Osborne, Piper queen; Carolyn Pace, high school queen; Laveta French, most representative girl; Walter Willis, most representative boy; Laveta French and James Boyd, outstanding citizens.

Theme of the 128-page book for 1955 is silhouettes.

Members of the annual staff are: Judy Brannon, editor; Annette Smith, assistant editor; Billy Kelly, business manager; Clarence Parker, assistant business manager; Rodney Spaulding, snapshot editor; Holly Toler, sports editor; Robert Altum, art editor; Richard Sutherland and Walter Willis, photographers; Justin Rowland, senior editor; Dennis Johnson, junior editor; Betty Gray, sophomore editor; Bob Spaulding, freshman editor. Mrs. Joe Wayne Carter was advisor for the publication staff.

## Visitation Set for Pre-School Groups Tuesday, May 3

A pre-school visitation day for youngsters of the Hamlin Consolidated Independent School District has been set for next Tuesday, May 3, according to Superintendent I. R. Huchingson.

All children who will be in the first grade next year are invited to visit the new Primary School during the hours from 9:00 a. m. until 1:00 p. m., along with their mothers.

A short program will be conducted in the cafeteria shortly after the noon hour, when Mrs. M. L. Counts of Lueders, district chairman of the pre-school division of Parent-Teacher Association, will speak on pre-school cooperation. Musical numbers will be presented by students under the direction of Carolyn McClenney, choral music director.

Similar pre-school visitation will be observed at the DePriest Colored School.

The children will need to bring 30 cents to eat in the school cafeteria, and bring their birth certificates in order to be registered for next year.

### Missionary to Speak At Foursquare Church

Mrs. J. C. Holden, a missionary to Colombia, South America, will speak at the Foursquare Gospel Church Sunday evening at 7:00 o'clock, according to church leaders.

Mrs. Holden's three sons will sing special songs in Spanish, with their mother accompanying them on the accordion. Movie pictures of that country will also be shown during the evening. The public is invited to attend.

## Junior High School Musicians Rated Well at Area Meet

Hamlin Junior High School's Band, under direction of Jess Parrish, was rated in first division in the annual Area VII elementary music meet, staged Saturday at Anson High School auditorium. Choral group from the school, under direction of Carolyn McClenney, was ranked in second division.

Scored on several points in competition with other area bands, the 44-member group of musicians was lauded for its work by judges. Other bands in the meet were from Wingate, Roby, Hobbs, Albany, Anson and Wylie.

Ten soloists from the Junior High Band also were rated, five getting first division, four getting second and one being rated in third division.

Three girls from the choral group of 42 members were given first division ratings for solos. They were Janice Richardson, DeGwen Sanderlin and Peggy Dodd. Mary Brown, Nina Jean, Sara Beth Powell and Nola Davis won second rating. Ginger Robinson, and Gloria Rodgers rated second for duet; Beth Cochran, Ann Maberry and Bunny Patterson placed second for trio; and sextet composed of Betty Maberry, Ann Carson, Pearl Crocker, Barbara Waldon, Mary Ryals and Louie Lujan won second.

Also receiving undetermined ratings were nine twirlers from the junior high group.

### Former Hamlin Girl Wins at Rotan Rodeo

Numbers of Hamlin area people were among attendants and contestants at the Rotan School Rodeo, staged last Friday and Saturday.

Syd Johnson of Snyder was named best all-around cowboy during the two-day events. Sue Flenniken, daughter of Mr. and T. W. Flenniken of Crosbyton, former Hamlin residents, and Melinda Bartlett of Anson tied for best all-around cowgirl.

### Commencement Dates For High School Set

Commencement dates for Hamlin High School have been set, according to I. R. Huchingson, superintendent.

Baccalaureate exercises will be conducted Sunday, May 15, when Rev. Houston Walker, pastor of the First Baptist Church, will be the speaker.

Graduation exercises will be conducted Thursday evening, May 19, at the football stadium, with the graduates in charge of the exercises and program.

# Payment Now of Pledges To Swimming Pool Urged

AQUA DEMON—Charlie Whitaker, trick artist of Aqua Demons and Deus of Grange, demonstrates his amazing kite stunt with an 8 foot by 10 foot nylon kite with one-half inch aluminum pipe frame. Whitaker races across the water at 35 miles per hour, goes 65 feet into the air, and his record for distance is one mile. The Orange water skiing group does ballet numbers, clown stunts and a boat jumping act. The group will be featured during Galveston's Splash Day, April 30 through May 1.

## Technicalities For Construction About Worked Out

Although several minor technicalities have slowed down the community swimming pool project, things are shaping up for an early beginning on the pool, to be erected soon at the Hamlin City Park, declared Delma Shelburne, president of the Hamlin Foundation, Inc., sponsoring organization.

Primary hitch in the actual work project is the dragging of payment of pledges to the fund that has recorded pledges of nearly \$18,000. Only about \$8,000 of the total had been paid into the building fund Wednesday at noon, said Jack Russell, finance campaign director. He urged immediate payment of the pledges, which is necessary before contract can be let to the Midland firm that has been tentatively approved to build the new type 30x50x80-foot pool.

Several major donor prospects still have not made commitments to the pool fund, and additional donations are expected within the next several days, Russell said.

The near \$18,000 total of funds pledged is still short by more than \$2,000 of the \$20,000 goal needed to properly build and equip the pool with bath houses, sidewalks and fences around the pool proper, leaders said.

Apparent shortage of cement in the West Texas area just now can be solved, it was felt by leaders of the construction committee, who had made several key contacts in an endeavor to locate sufficient cement for the project.

# Mass Meeting Will Talk Fate of C. of C.

A mass meeting of citizens of the Hamlin community to chart the future of the Hamlin Chamber of Commerce was slated for Thursday morning at 10:00 o'clock as The Herald prepared to go to press with this issue.

Called at the instance of President Delma Shelburne and his board of directors, the session at Ferguson Theater was designated for the purpose of presentation of the financial plight of the civic organization by its board of directors, which has struggled for several months trying to recoup the membership in the organization with only nominal success.

Because of only partial support by business firms of the community, the Chamber of Commerce has been hampered at any progress toward major projects, declared Shelburne. He said that unless more whole-hearted support of the organization is given by a greater number of business establishments and individuals, no major projects can in the future be carried out.

Directors hoped that new interest and financial support could be aroused by the mass meeting. They point out that several needed community betterment projects are hanging in the balance because of lack of financial backing and interest of many area citizens.

Pastor Montgomery and members of the congregation invite the public to attend the series of services.

### Rev. J. S. Sheppard to Lead in Revival at Sunset Baptist Church

Rev. J. S. Sheppard of Jacksonville, formerly pastor of Calvary Baptist Church in Hamlin, will do the preaching in a series of revival services beginning Sunday at the Sunset Missionary Baptist Church, across the street from the Hamlin Junior High School, corner of Northwest Avenue D and Northwest Fourth Street, according to Rev. R. H. Montgomery, pastor.

The series of services will continue through Sunday, May 8. Services are scheduled at 9:45 a. m. each day and at 8:00 p. m. each evening. Song services will begin at 7:30 p. m. under direction of local musicians.

Pastor Montgomery and members of the congregation invite the public to attend the series of services.

### Hamlin FFA Group Gives Television Show At Abilene Monday

Ten Hamlin Future Farmers of America appeared Monday night on the KRBC television show, "Future Farmers in Action." All participants are enrolled in farm shop at Hamlin High School and are seniors.

Don Johnson introduced the program, which consisted of a rope-making demonstration by Clifford Eoff, Don Brown, Hoyle Brown and Dawl Johnson. Second part of the program was an exhibit of some shop projects made by W. H. Hallmark, Donal Johnson, Benny Watson, James Lain and Don Johnson. Their projects consisted of wrought iron furniture such as coffee tables, table lamps, floor lamps, magazine racks and smoking stands. This was a partial climax following a welding course and metal work at the high school, according to Harold V. Eades, one of the FFA sponsors.

## Who's New This Week

Mr. and Mrs. Grover Stevens of Kerrville are announcing the arrival of a new daughter on April 17 at Peterson Hospital in Kerrville. The little lady weighed five pounds seven ounces, and has been named Linda Jean. Mrs. Stevens is the former Jeannine Deel, daughter of Mr. and Mrs. Bill Deel of Hamlin.

Mr. and Mrs. Jack Kelly are announcing the arrival of a new girl, born April 20 at the Anson General Hospital. The youngster weighed seven pounds two ounces at birth, and will answer to Cindy.

Four new citizens have been registered at Hamlin Memorial Hospital since last week's report in The Herald. Two girls and two boys, they are:

A girl for Mr. and Mrs. A. D. Hardy of Sylvestre, who arrived April 21 at 1:05 p. m. Weighing seven pounds nine ounces, she has been named Janice Faye.

A girl for Mr. and Mrs. W. C. Pruitt of Hamlin was born April 23 at 1:20 a. m. She was given the name Connie Lynn after having her weight checked at six pounds 12½ ounces, the lightest weight of the four arrivals.

A boy for Mr. and Mrs. Buddy Hodges discovered America April 22 at 1:25 p. m. He tipped the scales at seven pounds one ounce. He will answer to Vallie Michael.

A boy for Mr. and Mrs. Wayland Woolf of Hamlin was born April 25 at 7:33 a. m. Michael Larry will be his name. He was weighed in at six pounds 15 ounces into the ring of life.

APPEARING IN CONCERT yesterday (Thursday) morning at the Hamlin High School auditorium were the Abilene Christian College Chorales (above). Under the direction of Dr. Leonard Burford, head of the music department at ACC, the 29-member group rendered classical, popular and religious numbers. They are on their spring tour.

## **NEW POISONS PROMISE COTTON INSECT RELIEF**

With considerable interest cotton farmers of the Hamlin region and the rest of the cotton producing areas are watching experiments with two new insecticides for possible future use on cotton that are showing good promise in tests being performed in Texas at present.

The organic phosphorus chemicals have proved deadly to the boll weevil, pink bollworm, cotton aphid, spiker mites, cotton leafworms, flower thrips and cotton flea-hopper in control tests. Conclusive evidence is still being sought, but tentative results are excellent.

Chemically the materials are (1) Benzol triazine derivative of a dithio-phosphoric acid ethyl ester, and (2) equally impressive is benzol triazine derivative of a dithio-phosphoric acid methyl ester. The first has been designated as 16259 and the second 17147.

In tests at College Station, compound 17147 provided 100 per cent kills of the boll weevil at spray rates as low as one-fourth a

pound per acre. The second compound provided complete control at a one-half pound per acre rate.

One of the most promising features is attributed to compound 17147. It may prove effective against the pink boll-worm, which has defied most poisons for many years.

Early tests with this compound under laboratory conditions showed such promise that it was field tested against heavy infestations in South Central Texas during the cotton season last fall.

Seven applications of DDT, at two rates, and 17147 were dusted on infested cotton during a month-long trial. Six days after the first application, 11 per cent of the cotton bolls were found damaged in plots treated with 17147. Boll damage ranged between 17 and 22 per cent on DDT-treated plots and 24 per cent on an untreated checkplot.

Compound 17147 also prevented a damaging build-up of the cotton aphid and the plants remained green and luxurious during the test.

## **What If ... ?**

If this old world were just a perfect world—if men and women never said foolish things nor ever did unwise ones; if we were never weary nor ever hungry; if our eyes were always brave and never dim; if we never tramped mud onto clean floors nor flicked ashes behind davenport; if hearts were never dreary nor lips light with pain—would life be half so good?

## **Parasites Take Toll in Stock**

More and more the farmers and ranchers of the Hamlin community and the rest of the state are becoming concerned at the big losses in livestock to parasites.

External and internal parasites are claiming one farm animal in 20, and are costing farmers about \$1,000,000,000 annually, Dr. F. M. Fuller, Texas extension entomologist, reports.

That's a loss of five cents on every dollar invested in livestock. The entomologist says these figures, which are termed conservative, show that livestock raisers are not realizing full returns from their operations.

Ironically, says Dr. Fuller, modern research has found practical ways to control most of today's parasitic enemies.

Few, if any, livestock are completely free of infestation, he says. Even the best looking animal may harbor a dozen or more different parasite species.

Heaviest losses in cattle come from external parasites, horn-flies and grubs. However, internal parasites likewise are a major problem.

For every eight animals shipped to market, the value of one is lost to parasitism, Fuller emphasizes. This means cattlemen are "giving away" an additional 2,000,000,000 pounds of meat each year.

Studies show that losses from parasites exceed 10 per cent in poultry. One battery in ten is wasting space, feed and labor and equipment.

Parasites are robbing swine producers of the value of one pig in every 12, and sheep men face the problem of combatting a 25 per cent annual parasite loss.

They also are believed responsible for many disease outbreaks because their infestation leads an animal into a weakened condition.

Steps to help curb most of the troubling parasites of Texas livestock require nominal time and expense, Fuller adds. Livestock men who follow regularly recommended parasite controls usually bring home the highest profits from their livestock.

Mankind never loses any good thing, physical, intellectual or moral, till it finds a better, and then the loss is a gain.—Theo Parker.

## **Acting the Part**

I like the answer a certain dad gave when his son asked him what an actor is.

"An actor, my son," he said, "is a man who can walk to the side of a stage, peer into the wings filled with theatrical props, dirt and dust, other actors, stage hands, old clothes and other clap-trap, and say, 'What a lovely view there is from this window.'"

Blessed be the actors in the drama of life who go merrily along spreading smiles and good cheer, even when their own personal outlook is dark and gloomy. The heroic characters who stride through Robert Louis Stevenson's novels, the happy poems that children know and love—who would think that they were created by an invalid who had to hold death at bay with one hand while he wrote with the other. Our hats go off to those who can stand amidst the shipwreck of their hopes, their health or their fortunes and yet say, "Life is beautiful!"

The other day I saw in the newspaper a photograph of a man who had just had his fiftieth operation. The picture showed him in his hospital bed, and he was smiling!

To share courage and happiness with others, and keep our heartches to ourselves—that is the noblest acting this old world knows.

## **Editorial of the Week**

### **MOVIE MENACES**

A reviewer in the London Telegraph, in speaking well of a new American film, added that "the takings from ice cream in the cinema were low." He explained that in the film world ice cream sales are regarded as a barometer of the type of audience, and "low" is said to indicate an intelligent one.

Americans will sympathize with that viewpoint, for many of us have experienced the unique sensation of sitting on half an ice cream cone. However, a thing to be said in ice cream's favor is its relative noiselessness. The soft slurping and gentle crackling involved in eating an ice cream cone is as nothing compared to a chorus of peanut cracking or popcorn eating.

British movie goers do not have to contend with the latter menaces. In that enlightened land peanuts are considered fit only for monkeys and elephants, and corn is eaten only by beasts of the field.

However, a recent financial news item reported an encouraging increase in the exports of bubble gum. Perhaps the British movie fan will some day undergo an experience now familiar only to his American counterpart, that of sitting behind a row of ten children popping their gum in unison, and finding on his departure that his predecessor had tired of his bubble gum and left it on the seat.—The Fort Worth Press.

## **RECALLING Other Years**

★ Being news items taken from old files of Your Home Town Newspaper The Herald

### **TWENTY YEARS AGO.**

From the issue of The Hamlin Herald dated April 19, 1935, the following news items of 20 years ago in the Hamlin community are reproduced:

Eddie Jay's Bakery announced a new size and shape of bread.

J. B. (Bud) Terrell was announcing the purchase of the Sledge & Robinson Red & White grocery store.

Hamlin Lions Club will sponsor its annual Easter egg hunt for children of the community at the Moore Lake Sunday afternoon.

Four girls of Hamlin High School will receive free trips to Corpus Christi next week to the state home economics department convention for placing first in the home contests. They are Kathryn Gardner, Jeannette Beard, Lydia Garrett and Pearl Morris.

A three-act comedy-drama will be presented at Swedonia High School by the players of the Wise Chapel community Wednesday evening. Admission will be five and 10 cents.

Winifred Joiner, a Hamlin student, has been selected as one of 17 representatives of the Texas Tech Press Club to represent his college at the Southwestern Journalism Congress held at Louisiana State University at Baton Rouge.

### **TEN YEARS AGO.**

The following items of interest in the community 10 years ago are reprinted from the issue of The Hamlin Herald dated April 13, 1945:

Private Jame H. Pettit, brother of Mrs. Link Greenway and Mrs. Lester Scott of Hamlin, who was reported recently as missing in action, is now a prisoner of war in Germany, according to advice from the War Department.

LaRue Kite, daughter of Mr. and Mrs. R. L. Kite of Hamlin, recently graduated from a telephone school at Springfield, Missouri. She is now with Western Union at Weslaco.

James Truett May, radioman first class of the U. S. Navy, who recently has completed two and one-half years of service overseas, brought his wife and two small daughters from Salt Lake City to visit relatives here. A family reunion was held in the home of his parents, Mr. and Mrs. M. P. May.

Mr. and Mrs. J. C. Robertson are parents of a new daughter, Betty Jane, born April 12 in a Stamford hospital.

### **FIVE YEARS AGO.**

News items of interest in the Hamlin community five years ago included the following, taken from the issue of The Hamlin Herald dated April 14, 1950:

B. M. (Mac) Brundage was installed as mayor of Hamlin Tuesday without fanfare. He succeeds Holly Toler. Also installed was a new councilman, J. B. Terrell Jr.

Hamlin, along with citizens from eight other area towns, will give their views of the United States Reclamation Bureau's recommendation to build a \$7,880,000 reservoir on Paint Creek northeast of Stamford, when representatives meet this (Friday) evening at Stamford. Other towns slated to have attendants at the gathering are Haskell, Rotan, Throckmorton, Benjamin, Avoca, Roby and Anson.

An increase of more than 500 cars have been registered this year than last, according to Elzy Bennett, county tax assessor-collector.

Sixty-seven new members have been recruited in the Lakeview Country Club, declare officials, who had set 150 as the limit on memberships. That number has about been reached.

### **ONE YEAR AGO.**

Among news items of interest in the Hamlin community a year ago were the following, reprinted from the issue of The Hamlin Herald dated April 16, 1954:

Shipment of 150 feet of new fire hose has been received for the Hamlin Volunteer Fire Department, according to city officials, who say this now provides 2,500 feet of hose.

Best rains in months came over the week-end to the Hamlin community to provide improved prospects for crops in the area. Rainfall for Hamlin measured 2.06 inches. This brings the year's total to 3.38 inches.

An Easter egg hunt for all kids of the community, including those in the third grade, is scheduled for Saturday afternoon at the City Park. The eggs are being provided by the Chamber of Commerce and the hunt is being directed by members of the Business and Professional Women's Club.

## Early Movement of Cattle Indicated at Fort Worth Market, But Prices Weak

More than 7,000 cattle and calves, a big part of them grass cows and calves, arrived at Fort Worth Monday. This was more than 2,100 above the figure the same date last year, and gave additional strength to the theory that the cattle run is starting about a month early this year, according to Ted Goudy, special market reporter for The Herald, in his weekly release. His release continues:

Speculation that this would be the case developed some weeks ago and has been growing steadily. A number of factors are involved. In many sections of the Eastern third of Texas the winter and spring seasons have provided ample pasture. This is especially true in the clover growing areas.

Many cattle producers in these areas bought low cost cows last summer and fall, and at this writing have a very good profit made on them. Many cases of "doubled money" are heard, and those stockmen are inclined to sell before the hot weather brings excessive runs and breaks prices sharply. They are inclined to cash in now, despite the fact that in many sections they still have some weeks of good grazing on these clover fields.

In the drouthy areas the discouraging lack of needed rain, plus the recent disheartening dust storms, is expected to cause earlier than usual shipping. Many of these areas face critical water

### Hamlin Lions Will Attend District 2-T Meeting at Abilene

President W. T. Johnson and President-Elect W. S. Seals of the Hamlin Lions Club will lead a delegation of an indicated 15 members of the local organization to the annual two-day convention of District 2-E of Lions International, meeting Sunday and Monday at the Windsor Hotel in Abilene.

Registration will begin at 8:00 a. m. Sunday in the lobby of the Windsor. A luncheon honoring incoming presidents and secretaries will be held at 12:30 p. m. in the Crystal Ballroom of the Windsor.

Included on the May 2 agenda are two business sessions, one at 9:30 a. m. and the other at 2:00 p. m. District governor's banquet will be conducted in Rose Field House at Hardin-Simmons University at 7:00 p. m., and the governor's ball is scheduled at 9:30 p. m.

### Athletic League for Elementary Schools Of Area Organized with Five Members

An elementary school athletic league was formed Wednesday night at a meeting of interested school representatives at Anson. Schools forming the league are Hamlin, Anson, Rotan, Merkel and Albany. The league was formed to insure a better elementary athletic program, declares Marvin Carlton, Hamlin Junior High School principal, who attended the conference.

Members of the league agreed to enter teams in football, boys'

and girls' basketball, and track and field events. A trophy will be awarded the first place team in each sport.

Agreements were reached on a uniform admission price for all league football games of 25 and 50 cents. All games are to be played on Tuesday nights. Eligibility rules were made based on age. A player must be passing three-fourths of his school work to participate. All September games start at 7:30 p. m., while games after October 1 start at 7:00 p. m.

Representing the Hamlin schools were I. R. Huchington, M. D. Carlton and Harry Martin. Carlton was selected chairman of the league for the coming year.

The Mighty Mice schedule for the coming season follows:

September 13—Albany at Hamlin.

September 20—Merkel at Merkel.

September 27—Anson at Hamlin.

October 4—Rotan at Rotan.

October 11—Open.

October 18—Albany at Albany.

October 25—Merkel at Hamlin.

November 1—Anson at Anson.

November 8—Rotan at Hamlin.

### Music Department At DePriest School Giving Programs

Members of the music department of DePriest Colored School, under direction of Noble Canida, are climaxing their year's work with several programs in the area during April and May, declares E. S. Morgan, principal of the school.

A musical program will be presented by the group Thursday evening at Sweetwater a Washington High School, which will feature numbers by the concert choir and the 20-piece school band plus skits and vocal solos.

A program will be given at Breckenridge on May 3. Again on May 6 the group will appear in Abilene at Woodson High School on their spring musical.

Members of the concert choir are: Vinita Mayfield, Janie Mae Brown, Vera Haley, Barbara Cork and Kitty Shells, sopranos; Lavonne Ellis, Clementine Turner, Albert Douglas and Joanne Logan, altos; Jesse Gilbert, James Laury, Johnny Turner and Howard Lee Ellis, tenors; D. C. Carr, Charles Mitchell, Robert Lee Washington, Speedy Baldwin and Lewis C. Brown, basses.

### ALLOTMENTS

(concluded from page one)

the greater of 150 per cent of the established allotment for the farm for the current crop year or 100 per cent of the highest acreage planted to such crop in the preceding five crop years.

It is provided that no acreage shall be allotted which would result in a total acreage allotment of all crops on any farm in excess of 75 per cent of the cropland on such farm.

The congressmen feel, according to the release, that legislation of this type is necessary due to the extreme drouth that has existed throughout the nation for the past several years, and to alleviate the hardship that has been suffered by the farmers. They feel that with declining farm prices, some measures must be taken to permit farmers to plant increased cash crops from which they can obtain some greatly needed relief. They feel that this bill would go a long way toward solving one of the problems facing the farmer.

### Two Sentenced for Offenses at Hamlin In District Court Cases

Two men, one from Hamlin and the other from Stamford, were each sentenced to two years in the state penitentiary in 104th District Court at Anson last week-end.

Lupe Gonzales of Hamlin pleaded guilty to a charge of felony theft. He was charged with stealing the automobile of Buck Bishop from the rear of the Bluebonnet Cafe. After driving the car to Stamford he later abandoned the machine north of Hamlin.

Dan Ernest Griffin of Stamford was sentenced by District Judge Owen Thomas after pleading guilty to burglary. He was charged with taking \$76 from a cash register and cigarette machine at the Ray Huling Service Station in Hamlin on November 4, 1954.

Mr. and Mrs. Arnold Herd will be agents for the

### May 15 Set Aside as Soil Stewardship Day

Hamlin area farmers and ranchers are reminded that May 15 has been set aside as Soil Stewardship Sunday throughout the United States, and ministers are being asked by the supervisors of the local Soil Conservation Districts to stress good stewardship of the land in their sermons on this day.

Throughout the ages man has observed or set aside a day for paying tribute to his Creator for the priceless gifts of soil, water, air and sunshine that make all living things possible.

## McCaulley School Homemakers Give Best Beau Banquet Friday Evening

Boy friends of members of the Future Homemakers chapter of McCaulley High School were special guests at the best beau banquet staged Friday evening by the girls at the homemaking cottage.

Toastmistress for the banquet was Sara Kean, FHA president. Following invocation by Carol Hennington, the welcome was extended by Frankie Jo Andrews. Response for the honorees was given by Douglas Cory, McCaulley FHA best beau.

As program features the Choral Club presented "Old Fashioned Garden," composed of Fayma Downey, Carol Hennington, Pat

## New Officers Installed Monday by McCaulley School Homemakers

New officers for the Future Homemakers chapter of McCaulley High School were installed at a meeting Monday evening of the group.

New officers for the 1955-56 term of school are Martha Young, president; Nadene McCright, vice president; Annie Laurie Woods, secretary-treasurer; Joy Frances Lawlis, historian; Carol Hennington, parliamentarian; Joyce Bramlett, reporter; and Pat Griffin, song leader.

The installing officers were: Sara Kean, president; Fayma Downey, vice president; Colleen Kelly, secretary; Annie Laurie Woods, historian; Martha Young, parliamentarian; Shirley Potts, reporter; and Carol Hennington, song leader.

Chapter advisor is Mrs. B. M. Robinson.

## Beta Theta Sorority Plans Founder's Day Celebration at Abilene

Newly organized exemplar chapter sponsored by the Beta Theta chapter of Beta Sigma Phi chapter of Hamlin has been designated as Xi Gamma Pi, according to a letter from the national office which was read at the last meeting of the Beta Theta group in the home of Mrs. E. J. Hawkins. Mrs. Gerald Young was hostess. Mrs. S. C. Ferguson Jr. conducted the business meeting.

Mrs. M. L. Smith, pledge captain, reported that the seven pledges had completed their requirements for membership and would receive the ritual of jewels initiation in the home of Mrs. John C. Bryant on April 22.

Mrs. Vernon Townsend, chairman of the social committee, reported on plans for the Founder's Day celebration, to be held in Abilene on April 29. Mrs. Vernon Townsend and Mrs. Edgar Boaz resigned from offices they had been elected to for next year. Mrs. Brad Rowland Jr. presented the program on "The Art of Thinking."

Strawberry pie and coffee were served to the following: Mmes. Arlie Cassie, H. L. Mehaffey, E. D. Perrin, W. F. Martin, Garland Preston, Earl Smith, George Poe, Jerry Waggoner, W. T. Johnson, John C. Bryant, Wesley Nail, Toby Williams, Johnny Taylor, Vernon Townsend, J. O. Ballard, C. Weldon Griggs, Brad Rowland Jr. and Miss Pat Maberry.

A menu of ham, baked potatoes, buttered lima beans, fruit salad, rolls, butter, cake, ice cream and iced tea was served by mothers and friends of FHA members.

## Seven Initiated into Beta Theta Chapter In Friday Ceremonies

Seven new members were initiated into the Beta Theta chapter of Beta Sigma Phi in impressive candlelight ceremonies Friday evening in the home of Mrs. John C. Bryant. Mrs. S. C. Ferguson Jr., president, conducted the ritual of jewels service.

Those initiated were Mrs. Arlie Cassie, Mrs. Garland Preston, Mrs. Earl Smith, Mrs. W. F. Martin, Mrs. H. L. Mehaffey, Mrs. Edgar Boaz and Pat Maberry.

Mrs. Austin Poe, president of the Xi Gamma Pi exemplar chapter, conferred the degrees and presented pins and certificates to the following eligible members from the Beta Theta chapter: Mmes. Toby Williams, M. L. Smith, Jerry Waggoner, John C. Bryant, Jim Ballard, Weldon Carlton, E. D. Perrin, Wesley Nail, Bill Feagan, Cliff Reynolds Jr., W. T. Johnson, S. C. Ferguson Jr., George Poe, E. J. Hawkins and C. Weldon Griggs.

A bouquet of yellow roses, the sorority flower, in a gold bowl centered the table used for both services. Chocolate ice-box pudding and coffee were served to the above mentioned and Mmes. Gerald Young, Brad Rowland Jr., Vernon Townsend.

Second sheets at The Herald.

SNYDER, TEXAS

WELDON BRIGHT, popular radio star of KGNC says, "My wife has always used light Karo for cooking... and on the table..."

it's Karo for me, the best-tasting waffle syrup of 'em all"

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

**ANNUAL PRESIDENT'S DINNER** for members of the Hamlin Fifty-Two Study Club was held last week at the Petroleum Club in Abilene. The picture above shows attendants at the affair. They are (seated in rear, left to right): Mrs. W. F. Martin, Mrs. Wilson Brannon, Mrs. Robert Wheatley of Haskell, Mrs. Joe League, Mrs. Gerald Young, Mrs. Byron O. Bell, Mrs. Delma Shelburne, Mrs. Gean Whit and Mrs. Gene Westmoreland; (seated at the main table, reading clockwise), Mrs. Gene Grice, Mrs. W. S. Seals, Mrs. Harry Martin, Mrs. Vernon Townsend, Mrs. W. O. Wilbanks, Mrs. S. C. Ferguson Jr., Mrs. E. J. Hawkins, Mrs. Dean Witt, Mrs. H. L. Mehaffey, Mrs. Bill Baker, Mrs. Fred B. Moore Jr., Mrs. Cecil Sellers and Mrs. W. C. Westbrook.

## Good Neighbor Club Completes Plans for National Club Week

Plans were completed for celebration of National Club Week, which is May 1 through 7, when members of the Good Neighbor Home Demonstration Club met Tuesday afternoon with 14 present, including a new member.

Next regular club meeting of the group will be a book review by Mrs. Fitzgerald of Hamlin. The group voted to invite the Goodman and Sunshine clubs as special guests on that date, and for each member to bring a guest.

Jimmie Lou Wainwright, county home demonstration agent, presented a program on "Add Color to Your Kitchen."

She told attendants that the old "hospital white" kitchens have been pushed into the background by the addition of all of the colors of the rainbow. Each homemaker should plan her own individual taste and kitchen plan, she said. "Choose your color scheme, then use your eye and common sense in planning your kitchen."

Refreshments were served by the hostesses, Mrs. Audrey Hodnett and Mrs. John Scarborough, to the following members: Mmes. Verlon Hodges, Arlene Faulkenberry, Charlene Joiner, Inez McCoy, Viva Joiner, Clara Scott, Lila Weaver, Mildred Weaver, Fayrene Weaver, Doris Westmoreland, Alice Westmoreland, Lucy Carrothers and Sydonia Lane.

## Methodist Women Meet in Teague Home

Members of Circle 2 of the Woman's Society of Christian Service met Monday afternoon in the home of Mrs. Tom Teague. Mrs. Jayroe opened the meeting with prayer. As chairman she also presided over the business session. She read the scripture and gave the meditation.

Mrs. Copeland presented a talk on "Wide as Human Needs." Mrs. Teague's talk was on "Protestants Dedicate New Radio-Television Center."

Mrs. T. T. Brady dismissed the meeting with prayer. The hostess served a refreshment plate of coconut cake and punch.

## Mrs. Brannon to Go to State Federation Meet

Mrs. Wilson Brannon will represent the Hamlin Fifty-Two Study Club at the state convention of the Texas Federation of Women's Clubs in Galveston Monday through Wednesday.

Mrs. Brannon is the newly installed president, and in past years has been active in club work as an officer or chairman of outstanding committees. She is also First District chairman of Europe and International Affairs.

**INFORMATION GETTER.**  
Marriage is the process of finding out what sort of a guy your wife would have preferred.

## Good Neighbor Group Thanks People for Hearty Cooperation

Officials of the Good Neighbor Home Demonstration Club of the Nienda community have issued the following statement:

Clubs throughout our land are celebrating May 1 through 7 as National Home Demonstration Club Week. We, the Good Neighbor Club of Nienda, wish to announce our participation in this celebration by taking this means of thanking all of those in our club and our community for their splendid cooperation in everything we have undertaken the past year.

We are proud to say that all of our drives for needy causes have been huge successes.

Our club is one of the largest and most active in the county. Each and everyone of us feels that we are better citizens and better homemakers for the work we are doing. Again we say, thank you for all the help you have given us.

## Patsy Ruth Parker to Marry Abilene Man

Mr. and Mrs. Ben Parker of Hamlin are announcing the engagement and approaching marriage of their daughter, Patsy Ruth, to William Paul (Buddy) Woods Jr., son of Mr. and Mrs. William Paul Woods Sr. of 881 Willis Street in Abilene.

Date for the wedding has been set for Friday, May 27, at the home of the bride's parents in Hamlin.

### High School Junior-Senior Banquet Features Native of China in Address

A native of China, Dr. Sheridan Lee of Wayland College at Plainview, was guest speaker for the annual junior-senior banquet of Hamlin High School last Tuesday evening. The affair, in colorfully decorated banquet room, was staged at the Primary School cafeteria.

Following the invocation by Mrs. Austin Poe, one of the senior class sponsors, welcome was given by

### Three from McCaulley Attend State FHA Session at Galveston

Two students of the homemaking department at McCaulley High School and their sponsor attended the state FHA convention at Galveston last Thursday and Friday. Attending were Pat Griffin and Nadene McCright and their advisor, Mrs. B. M. Robinson.

Theme of the two-day session was "Peaceful Thinking, Peaceful Living." One of the featured speakers was Rev. Walter K. Keir of Tyler, chairman of the Texas Youth Council.

More than 4,000 girls and their sponsors from all parts of Texas registered for the convention.

Dennis Johnson of the junior class, and Billy Kelly, senior class president, responded for the honorees. Kenneth Hewitt, president of the junior class, was master of ceremonies for the evening's program.

A trio composed of Judy Brannon, Eli Borden and Rodney Spaulding, sang two numbers, being accompanied by Melba Ueckert. Mrs. Charles Scott and Harry Martin, junior class sponsors, were presented gifts by Lu-sara Dean and Clarence Parker for the host group.

Linda Wallace, senior girl, was elected "sweet girl graduate" by secret ballot during the dinner hour, and later was presented a horseshoe of red roses tied with a baby blue ribbon bearing the words in silver, "Seniors '56." The presentation was made by Kenneth Hewitt.

Dr. Lee, professor of biology at Wayland College since 1949, urged the students in his address that they train their minds and develop high ideals for the good of themselves as well as America. He stressed the need of patriotism in every one of them and told of how Communism had overrun his native country and is trying to do the same in the United States. He told how difficult it is to get

### County 4-H Club Girls To Give Dress Review

Jones County 4-H Club girls will stage their annual dress review Monday evening, May 2, at 7:30 o'clock at the Anson High School auditorium. Everyone is invited to attend.

Judging of the dresses will be Saturday, April 30, in the office of the home demonstration agent, Jimmie Lou Wainwright. The judging will begin at 9:00 a. m. Judges will be Mrs. Mary Brown, Foad County home demonstration agent, and Billy Reynolds, Young County home demonstration agent.

### Bluebird Group Tours City Water Works

Members of the Robin's Kin group of Bluebirds met for their regular meeting Tuesday afternoon. The group toured the city water works. Bill Rountree, was guide for the tour and explained how the city water supply is purified.

Those who attended were Mary Margaret Maberry, Lou Ann Hawkins, Sunny Teague, Mary Ann Hymer, Laguna Weaver, Dottie Albritton, Peggy Watson, Betty Jane Robertson, Gloria Jenkins, Mary Debs Rountree, Hollyn Bryson, Sandra Jayroe; Mrs. Delbert Rountree and Mrs. Willard Maberry.

Dry ice is solidified carbon dioxide.

An education in China, what hardships it imposes on one's family. Theme for the banquet was "Honoring the Seniors." Table decoration, fashioned of styrofoam and colored pipe cleaner figures, told in miniature scenes the life of a student beginning his senior year and continuing all through his life until his child begins school.

A miniature school bus taking the student to school begins the story, followed by a typical classroom scene. The next group showed the various organizations open to senior students in Hamlin High School, such as Glee Club, Band, National Honor Society, FHA, FFA, Student Council, etc. The next scene was from the senior play presented in March. Then the "money saving seniors" working at projects to finance their senior trip.

Sophomore girls, wearing clever "slime" caps, served the meal. Various committee handling arrangements for the outstanding social event of the year were directed by: Joye Bigham, decorations; Paige Baize, program; Judy Brannon, menu; Melba Ueckert, invitations; and Betty Jane Crawford, arrangements.

### Six from Hamlin Attend State Meeting Of FHA at Galveston

Four members of the Hamlin chapter of Future Homemakers of America and two adult leaders attended the annual convention of the Texas Association of Future Homemakers at Galveston last Thursday and Friday.

Leaving last Wednesday morning were Ann Cochran, Elizabeth Norton, Reba Roland and Jean Powell, and Mrs. Joe W. Carter, homemaking teacher and sponsor, and Mrs. J. D. Cochran. The group stayed at the Hotel Galvez, overlooking the Gulf of Mexico.

Thursday morning Mrs. Carter and Elizabeth Norton, Area IV pianist, attended a state music committee meeting to plan music for the convention.

Friday morning a girl from Germany spoke on "How lucky the girls of America are to have an organization like FHA to develop character, leadership and better homes in the future." Rev. Walter K. Keir, pastor of the First Methodist Church of Tyler, spoke on "Peaceful Thinking, Peaceful Living."

The girls attended a barbecue luncheon and fish fry dinner Friday served by Walter Jetton of Fort Worth.

Ann Cochran received her state degree Friday afternoon. This is the highest honor a FHA member can achieve.

Friday night the group was entertained by several skits by Areas VI and X on the subject "Living Is Fun."

Saturday morning, Elizabeth Norton accompanied the 4,000 FHA members and sponsors in group singing. Reba Roland, president of the Hamlin FHA and voting delegate of the local group, attended the meeting of delegates which was presided over by State President Jane Cogle of Comanche.

### Alfred Martinez to Participate in Yakima Maneuvers by Army

Corporal Alfred Martinez, 21-year-old son of Mr. and Mrs. J. A. Martinez of Hamlin, is among 26,000 soldiers slated to participate in Exercise Apple Jack during May at the Yakima Firing Center, Washington.

Apple Jack will test the efficiency of infantry and support units in mountainous and desert terrain. The simulated use of atomic weapons will be one of the conditions of the exercise.

Corporal Martinez, an assistant squad leader in the Second Infantry Division from Fort Lewis, Washington, is a veteran of service in Korea. He entered the Army in November, 1952.

Vacation: When you go away for a little change and come back with a lot less.

### Time Now to Plant Soil Building Crops In Hamlin Region

Guar planting time is just around the corner, and farmers and ranchers who are interested in planting guar should locate their seed and inoculant, according to officials of the California Creek Soil Conservation District.

Guar is planted in this area around cotton planting time. Use regular maize plates and plant to the depth of two to three inches. Guar can either be planted by itself, and be used as a seed and soil improving crop; planted with sudan for grazing; or planted with sorghum for bundle feed.

If guar is planted with sorghum for bundles, it would be better to grind the bundles or run them through a hammer mill to enable livestock to better eat the guar beans. Guar usually composes one-third to one-half of the mixture.

Be sure to inoculate guar beans with the right inoculant and follow directions on the can. There is a good supply of locally grown guar beans available in the district. See your feed dealer or some farmer who planted guar last year. Talk to some of the many men who planted guar the past few years and let them tell you their experiences with it.

### Santa Fe Carloadings For Week Above 1954

Santa Fe Railway System carloadings for the week ending April 23, 1955, were 23,668 compared with 20,108 for the same week in 1954. Cars received from connections totaled 13,283 compared with 11,290 for the same week in 1954.

Total cars moved were 36,951 for the same week in 1954. Santa Fe handled a total of 36,012 cars in the preceding week of this year.

Hydrogen is the lightest element.

### Salk Vaccine Given More Than 200 Friday

Administration of the Salk vaccine anti-polio shots to more than 200 students in the first and second grades of the Hamlin schools went off last Friday with little ado, reports Superintendent of Schools I. R. Huchingson.

Vaccinations were given by Dr. M. L. Smith and the school nurse, Mrs. Bob Crowley in rapid fire order at the Hamlin Primary School Building and the DePriest Colored School. Assisting were Mrs. Hazel Higdon, Mrs. J. C.

Turner Jr. and Mrs. Junior Rey nolds.

Vaccine was administered to 208 white children and 21 colored children in the Hamlin campaign.

### MISENER PROMOTED.

Mr. and Mrs. M. T. Hudson had word from their daughter of Los Angeles, of a promotion for their son-in-law, Major Earle C. Misener, who is stationed in Korea. Major Misener will be returning to Los Angeles in July. Mrs. Misener and two sons, Bobby and Richard, live in Los Angeles.

## Funeral Rites for Dr. Carl C. Rister Held at Lubbock

Final rites for Dr. Carl C. Rister, 65-year-old nationally known historian and authority on the history of the Southwest, who has lived for several years in Lubbock, were conducted Sunday week at Lubbock.

Dr. Rister, well known to people of the Hamlin area, having married the former Mattie May, daughter of Mrs. M. P. May of Hamlin and the late Mr. May, was at the time of his demise a professor at Texas Technological College at Lubbock. He died Friday week at the home of his wife's sister and husband, Dr. and Mrs. J. Frank Johnson at Rotan. He died of a heart ailment from which he had been suffering for the past two years.

From 1915 through 1918 Dr. Rister served as superintendent of schools at Hutto, O'Brien and McCauley. He joined the teaching staff of Simmons College at Abilene in 1920 as an assistant professor of history and had risen to the rank of professor when he left the college in 1929.

He joined the faculty of the University of Oklahoma as associate professor of history in 1929 where he served until 1935. In 1935 he was named chairman of the department of history and served in that capacity until 1945. He then served at Oklahoma as research professor until 1951 when he accepted a post as distinguished professor at Texas Technological College.

Dr. Rister is the author of 11 books and is contributor of chapters and articles to the Dictionary of American History, Scribner's Atlas of American History, and Harold Williamson's Growth of the American Economy.

Funeral services were held at the First Baptist Church in Lubbock with Dr. Ralph Grant, pastor, officiating. Several people from Hamlin attended the rites.

Dr. Rister's survivors include his wife; one brother, Claude Rister of Santa Ana, California; and two sisters, Mrs. Bell Campbell of Quanah and Mrs. Pearl Mealer of Santa Ana, California.

Approximately 7,000 islands compose the Philippines.

**ANGRY TAX OPPONENTS SHOUT PROTESTS**—A group of enraged House members hurl verbal protests at House Speaker Jim Lindsey for bringing a tax bill to a vote in Austin. At the microphone is Representative Joe Pool of Dallas. In left foreground, bellowing his complaint, is Representative Homer K. Kolbia Sr. of Columbus. At left just back of Kolbia is Guy Hazlett, Borger, and at extreme right is Don Kennard of Fort Worth.

## Shares in Stamford Manufacturing Firm Being Offered

Herbert Gordon, corporate financier who has a splendid record of achievement in financing corporations, is in the Stamford area now to assist the Feldt Manufacturing Company, Inc. in disposing of its treasury shares and bonds, according to company officials.

An advertisement in today's Herald on page three explains details of the offering.

It was pointed out by Mr. Feldt that "treasury shares" will be offered first to residents of the county and trade territory. Feldt further stated that Mr. Gordon will act as director of sales in the securities division of the company.

"Gordon comes to Stamford well recommended," Feldt added, "having completed several issues in the East and Middle West."

"We were fortunate in securing the services of Gordon," Feldt declared, "because he chose the Stamford opportunity over a number of other offers that were extended to him at this time, chiefly because of the merit of the product, the background and experience of the officers. With the cooperation of Stamford and the trade residents and others, Feldt stated that the new arrangements would be productive of sufficient working capital to get the company on a larger substantial production basis in a very short time."

## Hamlin Senior Tells Rotarians of Recent Class Trip

Walter Willis, senior student at Hamlin High School, gave highlights of the recent senior trip to New Orleans, Louisiana, as the program for the weekly luncheon session of Hamlin Rotary Club Wednesday at the oil mill guest house.

Riding in two special pullman cars on The Eagle, crack streamlined train of Texas & Pacific Railway, the senior group spent three days sight-seeing in the New Orleans area. Among outstanding points of interest for the students, young Willis explained, were the Huey Long bridge across the Mississippi River, which is 36 stores high; gulf coast sites at Biloxi; Ormand's restaurant, Old French Quarter, St. Louis Cathedral and Jackson Square in New Orleans; visits to famous homes of the delta; and a steamboat ride up the Mississippi.

Besides the speaker, other visitors at the Wednesday luncheon were R. B. Bryant of Stamford; Bailey Routh of Dallas; George Menninger, Ed Stewart Jr., Tommy Connerly, Lester Barry, Frank Lowe and Marshall Moore of Abilene.

## Annual Rodeo for Rice Springs Set at Haskell May 12-14

Plans have been completed for Haskell's second annual Rice Springs Roundup to be held May 12, 13 and 14 at the Saddle Tramp rodeo grounds in that city.

The three-day event will be the first major rodeo program of the season in this section, and from the number of advance inquiries being received, is expected to attract some of the outstanding rodeo talent of the Southwest, promoters who were in Hamlin this week declared.

Cash awards of more than \$2,000 will be paid winners in the various events. In addition, a hand-made saddle will be awarded the champion roper.

The roundup will be presented under auspices of the Saddle Tramp Riding Club, and rodeo stock will be furnished by Pitner Foreman of Denton. They have advised sponsors that some of the wildest stock they have ever assembled will be used in the Haskell shows.

Six events will be presented nightly, including bronc riding, calf roping, Brahma bull riding, cutting horse contest, double mugging, and cowgirls' clover leaf barrel race.

The barrel races will be strictly amateur on a jackpot basis with \$50 added money. Competition in all other events will be open to the world.

### KEEPING HIS DISTANCE

Hotel Clerk—"We only have one room with a bath, but it's taken. Would you mind sharing it with a man?"  
Lady—"Not as long as he stays at his end of the tub."

### "Hot Flashes Stopped" or strikingly relieved

in 63-80% of cases in doctors' test:  
"If you're miserable from the 'hot flashes,' and accompanying irritable, restless feelings of 'change of life'—you may be suffering unnecessarily! For... in tests by doctors... Lydia Pinkham's Compound brought relief from such functionally-caused suffering to 63% and 80% (respectively) of the women tested! Complete or striking relief!"  
Yes! Research has proved that medicines thoroughly modern medicine has shown you where to look for relief from those distressing, nervous, "out of sorts" feelings of "change of life." Lydia Pinkham's Compound—or new, improved Compound—with added iron (Wonder too, for the functional pains of actual periods.)  
It acts through a woman's sympathetic nervous system to relieve distress of those awful "hot waves!"

## Hamlin Area People Continue Purchases of U. S. Savings Bonds

Hamlin area people continue to make nominal purchases of United States savings bonds, according to Nathan Adams and Ed Gossett, state savings bond co-chairmen, in a release to The Herald.

Texas bought nearly \$56,000,000 worth of bonds during the first quarter of 1955.

March sales of Series E and H bonds combined were \$15,129,724—17 per cent above the same month of last year, Adams said. The three-month total of \$55,000,000 was 24 per cent greater than the first quarter of 1954.

"With a fourth of the year gone," the co-chairmen's report stated, "we have attained 27.7 per cent of our annual goal of \$201,000,000. Sales are traditionally better in the first quarter, however, which means that we must step up our efforts in Texas in order to do our part in meeting the national goal of \$5,500,000,000 in 1955."

Alcohol boils at a lower temperature than water.

## Interscholastic League Regulations for Players Prohibit Pay for Outside Play

Eligibility of players on Texas high school athletic teams participating in Interscholastic League events is strict, according to L. R. Huchingson, superintendent of Hamlin schools, who is an official of the state Interscholastic League group.

In order that a student may not endanger his eligibility of high school playing, he presents the following rules that may affect boys or girls of any high schools of this area:

The amateur rule is violated when any pupil receives cash or valuable consideration for teaching, officiating or participating in any athletic sport or game, or who in any game outside of games played as a member of his school team or Interscholastic League, has within the last 12 months competed on an athletic team with a paid player or for valuable consideration has allowed his name to be used for the promotion of any product, plan or service.

The following activities are considered athletic sports or games: Baseball, basketball, bowling, boxing, football, golf, rodeo events, softball, swimming and diving, tennis, track and field, weight lifting and wrestling.

This rule does not apply to pupils under 15 years of age at the time payment for athletic services was made. A pupil adjudged to be in violation of this rule is ineligible for one year from the time of violation.

It should be noted that in baseball a boy may play against a paid player, but he may not play on the same team with a paid player.

Acceptance of cash or valuable consideration by someone else for the boy is evading the amateur rule, and should be interpreted the same as the boy receiving these items. Acceptance of golf balls, bags, clubs, etc. and the playing of any golf team with a paid player is in violation of this rule.

The signing of a letter of intent for athletic ability is in violation of this rule.

Violation of the amateur rule results not necessarily from participating in a rodeo event but from accepting cash or valuable consideration. In other words, a pupil may enter a rodeo contest as an individual entry and win the event without violating the amateur rule, but if he accepts cash or valuable consideration he is in violation of this rule.

A boy may participate in summer baseball under the following conditions and not violate the league's amateur rule:

1. He must not play on the same team with any paid player or any player who receives valuable consideration. He can play against other teams which may have paid players.
2. He cannot receive any expense money of any type for travel, meals or lodging. Any expense money must be handled by the manager of the team in the same way that high school coach would handle the funds, and the boy must never receive any cash or transportation tickets.
3. Any money that may accrue from the gate receipts or from any other source cannot be distributed among players on a team without those players becoming paid players. If a high school boy played on this team he would then become ineligible as he has played with paid players.
4. It should be kept in mind that any collection taken up at a game as a result of a person hitting a home run or doing any other outstanding feat would make the player accepting this money a paid player, and all players on that team would then become ineligible if they were high school students.

Be sure that the local manager of any baseball team on which school pupils play knows the league's amateur rule and will abide by it, and above all, that he is a man of integrity and honesty.

### Hamlin Girls Place in Area League Contests Held at Brownwood

Both entries in the regional Interscholastic League contests at Brownwood Saturday from the commercial department of Hamlin High School placed.

Amanda Freeman, daughter of Mr. and Mrs. O. C. Freeman, placed seventh in the shorthand contest of 43 entries. The contest was based on taking dictation at 90 words per minute for five minutes and being able to transcribe this in 45 minutes. Amanda transcribed her notes in 22 minutes with 93 per cent accuracy.

At the same time Joyce Bigham, daughter of Mr. and Mrs. J. H. Bigham, entered the typing contests with 46 others from this region and placed eighth. The typing contest was based on a 12-minute time writing with a score being figured on the per cent of accuracy plus the net words typed per minute. Joyce had a total score of 128.62. She typed 46 net words per minute.

Dora D. Mitchell, business instructor, accompanied the girls to Brownwood and was well pleased that Amanda and Joyce placed so high because there was a lot of stiff competition from good students in this region.

**MYSTERY FARM PICTURE** (above) printed in last week's Herald in the series of aerial views of area farm and ranch homes was correctly identified first by Mrs. V. M. Bond of Hamlin as the W. C. Eoff place, three and one-half miles southeast of town. The 192-acre place is devoted to row crops and raising of fine Jersey and Hereford cattle. Mrs. Bond will receive a one-year subscription to Your Home Town Paper.

### Mrs. V. M. Bond Identifies Mystery Farm Picture First

Mrs. V. M. Bond of Hamlin was the first to correctly identify the mystery farm picture printed in last week's Herald in the series of aerial views being run in Your Home Town Paper as a news feature. She will receive a one-year subscription to The Herald.

The aerial view was that of the W. C. Eoff farm, three and one-half miles southeast of Hamlin. The Eoffs purchased the 192-acre farm from Mrs. W. H. Birdwell 13 years ago. Mrs. Birdwell, the mother of Mrs. W. L. Fletcher of Hamlin, now is living in Abilene.

Since purchasing the place that has been a landmark of the Hamlin section, the Eoffs have made a number of improvements. They built a three-bedroom home on the place and also added several other structures. Most of the farms area is devoted to row cropping of cotton and grain sorghums with some wheat and oats being raised. Clifford L. Eoff, senior son in Hamlin High School, has 17 registered Jersey cattle running on the place. The Eoffs also have some registered Herefords on the pasture areas.

Soil conservation practices have been in use on the Eoff farm, which has been terraced and contour-plowed for several years.

### Hamlin Guardsmen Participate in Alert Tests at Stamford

All 11 Hamlin members of the National Guard unit at Stamford responded within an hour to the huge practice maneuver, "Operation Minute Man," last Wednesday night, reports Lieutenant Joe E. Ford of Hamlin. The test was to determine the availability of military units all over the country to an alert call in case of an emergency.

Within 60 minutes 70 per cent of the company strength with four officers of Company M, 142nd Infantry, had mobilized and was ready to move out within an hour of the alert call. Seventy-two enlisted men had reported within three hours.

The project carried out was the guarding of the post office square and downtown Stamford was transformed by brisk military activity within a short time.

Weapons, including machine-guns, recoilless rifles and mortars, were set up on the square, and the company kitchen was put into operation.

Guardsmen reported to Stamford from Haskell, Rule, Hamlin and Abilene.

From Hamlin, besides Lieutenant Ford were Master Sergeant Elvin Hill, Sergeants James Ma-berry, Jack Herd and Billy J. Jordan, Corporals Fred Winslett and Aubrey Hought, and Privates Lawlis and E. P. Mendoza.

### Hank Williams and Band to Be at Stamford

Hank Williams and his orchestra will be featured this (Friday) evening at the Roundup Hall in Stamford in a dance. People of the Hamlin area are invited to attend.

Hank Thompson, declare those who manage his shows, is one artist who has never had any trouble in writing good songs. Hank records exclusively for the Capitol folks, and since his start with them over eight years ago, has sold over 12,000,000 records. Hank has had two records that sold over 1,000,000 copies each. They were "Humpty Dumpty Heart" and "The Wild Side of Life."

### Transfers for Students Must Be Made in May

All school patrons in Jones County who intend to send to a school district other than the one in which they reside should call at the county superintendent's office within the month of May to investigate the need for transfer, according to announcement made this week by Everett Beaver of Anson, county superintendent.

If it is found there is need for transfer, the application must be made and filed with the county superintendent on or before the first of June, Beaver says.

## Supplemental Cash Crops for This Area Urged by Agent

With the approach of planting season, most Hamlin area farmers have completed their plans for the 1955 growing season—if it rains, declares County Agent Bill Lehmberg, who recommends cash supplemental crops.

Two supplemental cash crops that should be given some thought are guar and sesame. Generally speaking, guar made more cash return per acre than maize in Jones County in 1954, the agent points out. It is planted about the same time as cotton at a depth of one and one-half to two inches and at the rate of five to six pounds. It should be inoculated and planted in rows and not broadcast. Seed is available at local seed and feed stores.

Sesame, an oil producing crop, also is planted in rows and on a fine, firm seed bed. In Jones County it should be planted between May 15 and June 20. The rate of planting is one pound per acre which allows about one seed per inch in the row.

To get best results, "Planet Jr." vegetable planter boxes should be used, and these can be mounted on standard planter frame. These boxes can be ordered by local machinery dealers. Since it is a semi-shattering crop, it must be cut and shocked, then combined. A new non-shattering variety will probably be available by 1956.

Those interested in planting sesame should contact W. M. Moore, Jones County veterans' vocational coordinator, and secure a contract and seed order blank. The contracts and seed order blanks can also be secured at the county agent's office.

### HAD HIS PLANS.

A little boy, caught in mischief, was asked by his mother: "How do you expect to get into heaven?"

He thought a minute, and then said: "Well, I'll run in and out, and in and out, and keep slamming the door till they say, 'For goodness sake, come in or stay out.' Then I'll go in."

## New Tricycle Tractors By Ford Announced By Anson Dealership

Ford Motor Company is now producing three new tricycle farm tractors in two power series, as well as front-mounted implements for the new tractors, according to Arvell Watts of S. & W. Tractor Company in Anson, distributor for this area.

"We extend a cordial invitation to all farmers and others interested in farm machinery to visit our showroom at 1202 12th Street in Anson on April 29," Mr. Watts said. "We will have the new equipment on display starting at 8:00 a. m."

Power-spread rear wheels are a major feature of the new tractors—first tricycles ever built by Ford. Instead of wrestling 300-

### RESULT OF DROUTH?

A mountaineer on his first visit to a town of any size was fascinated by the asphalt street. Scrapping his feet on the hard surface, he remarked:

"Well, I can't blame 'em building a town here. The ground is too darned hard to play, a how."

round rear wheels by hand obtain spacing for various needs, the operator uses the tractor's own power to turn the wheels to obtain the desired spacing in one-inch increments from 76 inches (from 64 to 84 inch with the discs reversed).

Front-mounted equipment designed for use with the new Ford tractors includes two and four row cultivators with planter, fertilizer and side-dresser attachments, according to Watts.

## NEW POISONS PROMISE COTTON INSECT RELIEF

With considerable interest cotton farmers of the Hamlin region and the rest of the cotton producing areas are watching experiments with two new insecticides for possible future use on cotton that are showing good promise in tests being performed in Texas at present.

The organic phosphorus chemicals have proved deadly to the boll weevil, pink bollworm, cotton aphid, spiker mites, cotton leafworms, flower thrips and cotton flea-hopper in control tests. Conclusive evidence is still being sought, but tentative results are excellent.

Chemically the materials are (1) Benzol triazine derivative of a dithio-phosphoric acid ethyl ester, and (2) equally impressive is benzol triazine derivative of a dithio-phosphoric acid methyl ester. The first has been designated as 16259 and the second 17147.

In tests at College Station, compound 17147 provided 100 per cent kills of the boll weevil at spray rates as low as one-fourth a

pound per acre. The second compound provided complete control at a one-half pound per acre rate.

One of the most promising features is attributed to compound 17147. It may prove effective against the pink bollworm, which has defied most poisons for many years.

Early tests with this compound under laboratory conditions showed such promise that it was field tested against heavy infestations in South Central Texas during the cotton season last fall.

Seven applications of DDT, at two rates, and 17147 were dusted on infested cotton during a month-long trial. Six days after the first application, 11 per cent of the cotton bolls were found damaged in plots treated with 17147. Boll damage ranged between 17 and 22 per cent on DDT-treated plots and 24 per cent on an untreated checkplot.

Compound 17147 also prevented a damaging build-up of the cotton aphid and the plants remained green and luxurious during the test.

## What If ...?

If this old world were just a perfect world—if men and women never said foolish things nor ever did unwise ones; if we were never weary nor ever hungry; if our eyes were always brave and never dim; if we never tramped mud onto clean floors nor flicked ashes behind davenport; if hearts were never dreary nor lips light with pain—would life be half so good?

## Parasites Take Toll in Stock

More and more the farmers and ranchers of the Hamlin community and the rest of the state are becoming concerned at the big losses in livestock to parasites.

External and internal parasites are claiming one farm animal in 20, and are costing farmers about \$1,000,000,000 annually, Dr. F. M. Fuller, Texas extension entomologist, reports.

That's a loss of five cents on every dollar invested in livestock. The entomologist says these figures, which are termed conservative, show that livestock raisers are not realizing full returns from their operations.

Ironically, says Dr. Fuller, modern research has found practical ways to control most of today's parasitic enemies.

Few, if any, livestock are completely free of infestation, he says. Even the best looking animal may harbor a dozen or more different parasite species.

Heaviest losses in cattle come from external parasites, horn-flies and grubs. However, internal parasites likewise are a major problem.

For every eight animals shipped to market, the value of one is lost to parasitism, Fuller emphasizes. This means cattlemen are "giving away" an additional 2,000,000,000 pounds of meat each year.

Studies show that losses from parasites exceed 10 per cent in poultry. One battery in ten is wasting space, feed and labor and equipment.

Parasites are robbing swine producers of the value of one pig in every 12, and sheep men face the problem of combatting a 25 per cent annual parasite loss.

They also are believed responsible for many disease outbreaks because their infestation leads an animal into a weakened condition.

Steps to help curb most of the troubling parasites of Texas livestock require nominal time and expense, Fuller adds. Livestock men who follow regularly recommended parasite controls usually bring home the highest profits from their livestock.

Mankind never loses any good thing, physical, intellectual or moral, till it finds a better, and then the loss is a gain.—The Fort Worth Press.

## Acting the Part

I like the answer a certain dad gave when his son asked him what an actor is.

"An actor, my son," he said, "is a man who can walk to the side of a stage, peer into the wings filled with theatrical props, dirt and dust, other actors, stage hands, old clothes and other clap-trap, and say, 'What a lovely view there is from this window.'"

Blessed be the actors in the drama of life who go merrily along spreading smiles and good cheer, even when their own personal outlook is dark and gloomy. The heroic characters who stride through Robert Louis Stevenson's novels, the happy poems that children know and love—who would think that they were created by an invalid who had to hold death at bay with one hand while he wrote with the other. Our hats go off to those who can stand amidst the shipwreck of their hopes, their health or their fortunes and yet say, "Life is beautiful!"

The other day I saw in the newspaper a photograph of a man who had just had his fiftieth operation. The picture showed him in his hospital bed, and he was smiling!

To share courage and happiness with others, and keep our heartches to ourselves—that is the noblest acting this old world knows.

## Editorial of the Week

### MOVIE MENACES

A reviewer in the London Telegraph, in speaking well of a new American film, added that "the takings from ice cream in the cinema were low." He explained that in the film world ice cream sales are regarded as a barometer of the type of audience, and "low" is said to indicate an intelligent one.

Americans will sympathize with that viewpoint, for many of us have experienced the unique sensation of sitting on half an ice cream cone. However, a thing to be said in ice cream's favor is its relative noiselessness. The soft slurping and gentle crackling involved in eating an ice cream cone is as nothing compared to a chorus of peanut cracking or popcorn eating.

British movie goers do not have to contend with the latter menaces. In that enlightened land peanuts are considered fit only for monkeys and elephants, and corn is eaten only by beasts of the field.

However, a recent financial news item reported an encouraging increase in the exports of bubble gum. Perhaps the British movie fan will some day undergo an experience now familiar only to his American counterpart, that of sitting behind a row of ten children popping their gum in unison, and finding on his departure that his predecessor had tired of his bubble gum and left it on the seat.—The Fort Worth Press.

## RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper The Herald

### TWENTY YEARS AGO.

From the issue of The Hamlin Herald dated April 19, 1935, the following news items of 20 years ago in the Hamlin community are reproduced:

Eddie Jay's Bakery announced a new size and shape of bread.

J. B. (Bud) Terrell was announcing the purchase of the Sledge & Robinson Red & White grocery store.

Hamlin Lions Club will sponsor its annual Easter egg hunt for children of the community at the Moore Lake Sunday afternoon.

Four girls of Hamlin High School will receive free trips to Corpus Christi next week to the state home economics department convention for placing first in the home contests. They are Kathryn Gardner, Jeannette Beard, Lydia Garrett and Pearl Morris.

A three-act comedy-drama will be presented at Swedonia High School by the players of the Wise Chapel community Wednesday evening. Admission will be five and 10 cents.

Winifred Joiner, a Hamlin student, has been selected as one of 17 representatives of the Texas Tech Press Club to represent his college at the Southwestern Journalism Congress held at Louisiana State University at Baton Rouge.

### TEN YEARS AGO.

The following items of interest in the community 10 years ago are reprinted from the issue of The Hamlin Herald dated April 13, 1945:

Private James H. Pettit, brother of Mrs. Link Greenway and Mrs. Lester Scott of Hamlin, who was reported recently as missing in action, is now a prisoner of war in Germany, according to advice from the War Department.

LaRue Kite, daughter of Mr. and Mrs. R. L. Kite of Hamlin, recently graduated from a telephone school at Springfield, Missouri. She is now with Western Union at Weslaco.

James Truett May, radioman first class of the U. S. Navy, who recently has completed two and one-half years of service overseas, brought his wife and two small daughters from Salt Lake City to visit relatives here. A family reunion was held in the home of his parents, Mr. and Mrs. M. P. May.

Mr. and Mrs. J. C. Robertson are parents of a new daughter, Betty Jane, born April 12 in a Stamford hospital.

### FIVE YEARS AGO.

News items of interest in the Hamlin community five years ago included the following, taken from the issue of The Hamlin Herald dated April 14, 1950:

B. M. (Mac) Brundage was installed at mayor of Hamlin Tuesday without fanfare. He succeeds Holly Toler. Also installed was a new councilman, J. B. Terrell Jr.

Hamlin, along with citizens from eight other area towns, will give their views of the United States Reclamation Bureau's recommendation to build a \$7,800,000 reservoir on Paint Creek northeast of Stamford, when representatives meet this (Friday) evening at Stamford. Other towns slated to have attendants at the gathering are Haskell, Rotan, Throckmorton, Benjamin, Avoca, Roby and Anson.

An increase of more than 500 cars have been registered this year than last, according to Elzy Bennett, county tax assessor-collector.

Sixty-seven new members have been recruited in the Lakeview Country Club, declare officials, who had set 150 as the limit on memberships. That number has about been reached.

### ONE YEAR AGO.

Among news items of interest in the Hamlin community a year ago were the following, reprinted from the issue of The Hamlin Herald dated April 16, 1954:

Shipment of 150 feet of new fire hose has been received for the Hamlin Volunteer Fire Department, according to city officials, who say this now provides 2,500 feet of hose.

Best rains in months came over the week-end to the Hamlin community to provide improved prospects for crops in the area. Rain-fall for Hamlin measured 2.06 inches. This brings the year's total to 3.38 inches.

An Easter egg hunt for all kids of the community, including those in the third grade, is scheduled for Saturday afternoon at the City Park. The eggs are being provided by the Chamber of Commerce and the hunt is being directed by members of the Business and Professional Women's Club.

## Early Movement of Cattle Indicated at Fort Worth Market, But Prices Weak

More than 7,000 cattle and calves, a big part of them grass cows and calves, arrived at Fort Worth Monday. This was more than 2,100 above the figure the same date last year, and gave additional strength to the theory that the cattle run is starting about a month early this year, declares Ted Gouddy, special market reporter for The Herald, in his weekly release. His release continues:

Suspicion that this would be the case developed some weeks ago and has been growing steadily. A number of factors are involved. In many sections of the Eastern third of Texas the winter and spring seasons have provided ample pasture. This is especially true in the clover growing areas.

Many cattle producers in these areas bought low cost cows last summer and fall, and at this writing have a very good profit made on them. Many cases of "double money" are heard, and those stockmen are inclined to sell before the hot weather brings excessive runs and breaks prices sharply. They are inclined to wash in now, despite the fact that in many sections they still have some weeks of good grazing on these clover fields.

In the drouthy areas the discouraging lack of needed rain, plus the recent disheartening dust storms, is expected to cause earlier than usual shipping. Many of these areas face critical water

shortages, as well as pasture deficiency.

Early movement of cattle has its good points, as well as bad ones. It will give pastures a rest. Cows will hold up better and require less feeding where calves are taken off early. Light-weight calves and yearlings are more popular right now with stocker buyers in the North—good examples are the around 280-pound calves last week that sold at Fort Worth at \$24, and on Monday Hayden Hargross of Coleman County put a load of 38 steer calves weighing 401 pounds in the bank at \$23.50, and their heifer mates sold for slaughter at \$21 and \$20.

The earlier than normal runs of lambs this year lend strength to the feeling that this will be an early one for cattle—unless the month of May comes up very, very wet over a lot of country.

Trade in cattle and calves was rather slow in the opening session at Fort Worth Monday. Cows held about steady, and bulls were steady. High grade slaughter and stocker calves of choice grades were also steady, but grades below choice were weak to 50 cents lower. Fat steers and yearlings were weak to 50 cents lower. Good and choice fed steers and yearlings were \$19 to \$23; fat cows brought \$11 to \$14; canners and cutters cashed at \$7 to \$11; bulls netted \$10 to \$14.50; good and choice fat calves sold at \$18 to \$21.50; a few fancy heavy-weights \$22. Stocker steer calves were \$23.50 down, and heifers mostly \$18.50 down, as stocker cows went at \$8 to \$12.

The sheep and lamb offerings Monday were 6,000 larger than last week, and 2,000 ahead of the same date last year. The 18,000 head were about 40 per cent spring lambs and 60 per cent old crop shorn lambs. Trade was 50 cents lower on the opening rounds, and after shippers and order buyers had filled their needs, average prices closed 50 cents to \$1 off. Fat spring lambs drew \$18 to \$21.50; and fat shorn old crop lambs drew \$16 to \$18.50. Old ewes cashed at \$5 to \$6, and old bucks around \$4. Aged wethers changed hands at \$7 to \$10. Stocker spring lambs brought \$15 down and shorn feeder lambs netted \$12.50 to \$13.50.

The hog run at the nation's 12 major markets Monday was 38,000 below the same day last week. Enough to set off a food rally and hogs were 25 to 30 cents higher at Fort Worth Monday. Top hogs sold at \$17.40 to \$17.75. Sows cashed at \$12 to \$15.

Some 48 McCulloch County 4-H and FFA boys were at Fort Worth Monday as the final phase of their commercial feeding project for the year. They saw all phases of the market and packing industry at this major center.

A large is something that if you go out on you don't feel like getting up with.

## Athletic League for Elementary Schools Of Area Organized with Five Members

An elementary school athletic league was formed Wednesday night at a meeting of interested school representatives at Anson. Schools forming the league are Hamlin, Anson, Rotan, Merkel and Albany. The league was formed to insure a better elementary athletic program, declares Marvin Carlton, Hamlin Junior High School principal, who attended the conference.

Members of the league agreed to enter teams in football, boys'

and girls' basketball, and track and field events. A trophy will be awarded the first place team in each sport.

Agreements were reached on a uniform admission price for all league football games of 25 and 50 cents. All games are to be played on Tuesday nights. Eligibility rules were made based on age. A player must be passing three-fourths of his school work to participate. All September games start at 7:30 p. m., while games after October 1 start at 7:00 p. m.

Representing the Hamlin schools were I. R. Huchington, M. D. Carlton and Harry Martin. Carlton was selected chairman of the league for the coming year.

The Mighty Mice schedule for the coming season follows:

September 13—Albany at Hamlin.

September 20—Merkel at Merkel.

September 27—Anson at Hamlin.

October 4—Rotan at Rotan.

October 11—Open.

October 18—Albany at Albany.

October 25—Merkel at Hamlin.

November 1—Anson at Anson.

November 8—Rotan at Hamlin.

## Music Department At DePriest School Giving Programs

Members of the music department of DePriest Colored School, under direction of Noble Canida, are climaxing their year's work with several programs in the area during April and May, declares E. S. Morgan, principal of the school.

A musical program will be presented by the group Thursday evening at Sweetwater a Washington High School, which will feature numbers by the concert choir and the 20-piece school band plus skits and vocal solos.

A program will be given at Breckenridge on May 3. Again on May 6 the group will appear in Abilene at Woodson High School on their spring musical.

Members of the concert choir are: Vinita Mayfield, Janie Mae Brown, Vera Haley, Barbara Cork and Kitty Shells, sopranos; Laverne Ellis, Clementine Turner, Albert Douglas and Joanne Logan, altos; Jesse Gilbert, James Laury, Johnny Turner and Howard Lee Ellis, tenors; D. C. Carr, Charles Mitchell, Robert Lee Washington, Speedy Baldwin and Lewis C. Brown, basses.

## ALLOTMENTS

(concluded from page one)

the greater of 150 per cent of the established allotment for the farm for the current crop year or 100 per cent of the highest acreage planted to such crop in the preceding five crop years.

It is provided that no acreage shall be allotted which would result in a total acreage allotment of all crops on any farm in excess of 75 per cent of the cropland on such farm.

The congressmen feel, according to the release, that legislation of this type is necessary due to the extreme drouth that has existed throughout the nation for the past several years, and to alleviate the hardship that has been suffered by the farmers. They feel that with declining farm prices, some measures must be taken to permit farmers to plant increased cash crops from which they can obtain some greatly needed relief. They feel that this bill would go a long way toward solving one of the problems facing the farmer.

## Two Sentenced for Offenses at Hamlin In District Court Cases

Two men, one from Hamlin and the other from Stamford, were each sentenced to two years in the state penitentiary in 104th District Court at Anson last week-end.

Lupe Gonzales of Hamlin pleaded guilty to a charge of felony theft. He was charged with stealing the automobile of Buck Bishop from the rear of the Bluebonnet Cafe. After driving the car to Stamford he later abandoned the machine north of Hamlin.

Dan Ernest Griffin of Stamford was sentenced by District Judge Owen Thomas after pleading guilty to burglary. He was charged with taking \$76 from a cash register and cigaret machine at the Ray Huling Service Station in Hamlin on November 4, 1954.

Mr. and Mrs. Arnold Herd will be agents for the

## May 15 Set Aside as Soil Stewardship Day

Hamlin area farmers and ranchers are reminded that May 15 has been set aside as Soil Stewardship Sunday throughout the United States, and ministers are being asked by the supervisors of the local Soil Conservation Districts to stress good stewardship of the land in their sermons on this day.

Throughout the ages man has observed or set aside a day for paying tribute to his Creator for the priceless gifts of soil, water, air and sunshine that make all living things possible.

## McCaulley School Homemakers Give Best Beau Banquet Friday Evening

Boy friends of members of the Future Homemakers chapter of McCaulley High School were special guests at the best beau banquet staged Friday evening by the girls at the homemaking cottage.

Toastmistress for the banquet was Sara Kean, FHA president. Following invocation by Carol Hennington, the welcome was extended by Frankie Jo Andrews. Response for the honorees was given by Douglas Cory, McCaulley FHA best beau.

As program features the Choral Club presented "Old Fashioned Garden," composed of Fayma Downey, Carol Hennington, Pat

## New Officers Installed Monday by McCaulley School Homemakers

New officers for the Future Homemakers chapter of McCaulley High School were installed at a meeting Monday evening of the group.

New officers for the 1955-56 term of school are Martha Young, president; Nadene McCright, vice president; Annie Laurie Woods, secretary-treasurer; Joy Frances Lawlis, historian; Carol Hennington, parliamentarian; Joyce Bramlett, reporter; and Pat Griffin, song leader.

The installing officers were: Sara Kean, president; Fayma Downey, vice president; Colleen Kelly, secretary; Frankie Andrews, treasurer; Annie Laurie Woods, historian; Martha Young, parliamentarian; Shirley Potts, reporter; and Carol Hennington, song leader.

Chapter advisor is Mrs. B. M. Robinson.

Griffin, Wanda Herron and Barbara Waldrop; and a skit was given by Annie Laurie Woods and Beth Kelly. Guest speaker was T. E. Green, superintendent of the McCaulley Schools, and his topic was "Future Homemakers." The benediction was pronounced by Hattie Smart.

Guests attending were Douglas Cory, chapter beau; Mr. and Mrs. T. E. Green, Mr. and Mrs. Glen Henderson and Mrs. George Maberry; and the chapter parents, Mr. and Mrs. B. M. Robinson.

Members and their dates were Frankie Andrews and Elmer Doggett, Shirley Potts and Delbert Shipp, Colleen Kelly and John Fought, Babs Henderson and James Woods, Wanda Herron and Julius Decker, Fayma Downey and Harvey Lawlis, Joy Lawlis and Neal Woods, Annie Laurie Woods and Billy Henderson, Martha Young and Don Alexander, Smitty Maberry, Hattie Smart, Pat Griffin, Charlene Bowen, Betsy Maberry, Anita Allen, Barbara Waldrop, Beth Kelly, Carol Hennington, Sara Kean, Nadene McCright and Joy Ann Ensminger.

A menu of ham, baked potatoes, buttered lima beans, fruit salad, rolls, butter, cake, ice cream and iced tea was served by mothers and friends of FHA members.

## Seven Initiated into Beta Theta Chapter In Friday Ceremonies

Seven new members were initiated into the Beta Theta chapter of Beta Sigma Phi in impressive candlelight ceremonies Friday evening in the home of Mrs. John C. Bryant. Mrs. S. C. Ferguson Jr., president, conducted the ritual of jewels service.

Those initiated were Mrs. Arlie Cassie, Mrs. Garland Preston, Mrs. Earl Smith, Mrs. W. F. Martin, Mrs. H. L. Mehaffey, Mrs. Edgar Boaz and Pat Maberry.

Mrs. Austin Poe, president of the Xi Gamma Pi exemplar chapter, conferred the degrees and presented pins and certificates to the following eligible members from the Beta Theta chapter: Mmes. Toby Williams, M. L. Smith, Jerry Waggoner, John C. Bryant, Jerry Ballard, Weldon Carlton, E. D. Perrin, Wesley Nail, Bill Feagan, Cliff Reynolds Jr., W. T. Johnson, S. C. Ferguson Jr., George Poe, E. J. Hawkins and C. Weldon Griggs.

A bouquet of yellow roses, the sorority flower, in a gold bowl centered the table used for both services.

Chocolate ice-box pudding and coffee were served to the above mentioned and Mmes. Gerald Young, Brad Rowland Jr., Vernon Townsend.

## Beta Theta Sorority Plans Founder's Day Celebration at Abilene

Newly organized exemplar chapter sponsored by the Beta Theta chapter of Beta Sigma Phi chapter of Hamlin has been designated as Xi Gamma Pi, according to a letter from the national office which was read at the last meeting of the Beta Theta group in the home of Mrs. E. J. Hawkins. Mrs. Gerald Young was hostess. Mrs. S. C. Ferguson Jr. conducted the business meeting.

Mrs. M. L. Smith, pledge captain, reported that the seven pledges had completed their requirements for membership and would receive the ritual of jewels initiation in the home of Mrs. John C. Bryant on April 22.

Mrs. Vernon Townsend, chairman of the social committee, reported on plans for the Founder's Day celebration, to be held in Abilene on April 29. Mrs. Vernon Townsend and Mrs. Edgar Boaz resigned from offices they had been elected to for next year.

Mrs. Brad Rowland Jr. presented the program on "The Art of Thinking."

Strawberry pie and coffee were served to the following: Mmes. Arlie Cassie, H. L. Mehaffey, E. D. Perrin, W. F. Martin, Garland Preston, Earl Smith, George Poe, Jerry Waggoner, W. T. Johnson, John C. Bryant, Wesley Nail, Toby Williams, Johnny Taylor, Vernon Townsend, J. O. Ballard, C. Weldon Griggs, Brad Rowland Jr. and Miss Pat Maberry.

## McCaulley Women Hear Club Program On Synthetic Fabrics

Members of the McCaulley Home Demonstration Club met with Mrs. Glenn Henderson last Thursday to hear a program on "Synthetic Fabrics" by Mrs. C. A. McHone and Mrs. Ted Abbott.

Mrs. Jerry Maberry presided. Mrs. Willie Fancher conducted the recreation period. Mrs. Frank Kemp presented the council exhibit plan for the Fisher County Fair this fall.

County Home Demonstration Agent Miss S. C. Kinsey will give the next demonstration on "Meat Salads" at the home of Mrs. Frank Kemp on May 5.

A dessert plate was served to a visitor, Mrs. T. E. Green, and the following members: Mmes. A. G. Smith, C. A. McHone, Ted Abbott, Luther Maberry, Frank Kemp, Fred Kemp, Jerry Maberry, Ray Maberry, Louis Boyd and the hostess.

## VISIT FROM ODESSA.

Mr. and Mrs. J. S. Dickey of Odessa visited in the homes of Mr. and Mrs. J. S. Dickey and Mr. and Mrs. Carl Greenway Saturday and Sunday. They were on their way to Dallas to spend a few days with their son, Don, and take in a few baseball games.

Second sheets at The Herald.

SNYDER, TEXAS

WELDON BRIGHT, popular radio star of KGNC says, "My wife has always used light Karo for cooking... and on the table..."

it's Karo for me, the best-tasting waffle syrup of 'em all"

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfying flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts

**ANNUAL PRESIDENT'S DINNER** for members of the Hamlin Fifty-Two Study Club was held last week at the Petroleum Club in Abilene. The picture above shows attendants at the affair. They are (seated in rear, left to right): Mrs. W. F. Martin, Mrs. Wilson Brannon, Mrs. Robert Wheatley of Haskell, Mrs. Joe League, Mrs. Gerald Young, Mrs. Byron O. Bell, Mrs. Delma Shelburne, Mrs. Gean Witt and Mrs. Gene Westmoreland; (seated at the main table, reading clockwise), Mrs. Gene Grice, Mrs. W. S. Seals, Mrs. Harry Martin, Mrs. Vernon Townsend, Mrs. W. O. Wilbanks, Mrs. S. C. Ferguson Jr., Mrs. E. J. Hawkins, Mrs. Dean Witt, Mrs. H. L. Mehaffey, Mrs. Bill Baker, Mrs. Fred B. Moore Jr., Mrs. Cecil Sellers and Mrs. W. C. Westbrook.

## Good Neighbor Club Completes Plans for National Club Week

Plans were completed for celebration of National Club Week, which is May 1 through 7, when members of the Good Neighbor Home Demonstration Club met Tuesday afternoon with 14 present, including a new member.

Next regular club meeting of the group will be a book review by Mrs. Fitzgerald of Hamlin. The group voted to invite the Goodman and Sunshine clubs as special guests on that date, and for each member to bring a guest.

Jimmie Lou Wainwright, county home demonstration agent, presented a program on "Add Color to Your Kitchen."

She told attendants that the old "hospital white" kitchens have been pushed into the background by the addition of all of the colors of the rainbow. Each homemaker should plan her own individual taste and kitchen plan, she said. "Choose your color scheme, then use your eye and common sense in planning your kitchen."

Refreshments were served by the hostesses, Mrs. Audrey Hodnett and Mrs. John Scarborough, to the following members: Mmes. Verlon Hodges, Arlene Faulkenberry, Charlene Joiner, Inez McCoy, Viva Joiner, Clara Scott, Lila Weaver, Mildred Weaver, Fayrene Weaver, Doris Westmoreland, Alice Westmoreland, Lucy Carrothers and Sydonia Lane.

## Methodist Women Meet in Teague Home

Members of Circle 2 of the Woman's Society of Christian Service met Monday afternoon in the home of Mrs. Tom Teague.

Mrs. Jayroe opened the meeting with prayer. As chairman she also presided over the business session. She read the scripture and gave the meditation.

Mrs. Copeland presented a talk on "Wide as Human Needs." Mrs. Teague's talk was on "Protestants Dedicate New Radio-Television Center."

Mrs. T. T. Brady dismissed the meeting with prayer. The hostess served a refreshment plate of coconut cake and punch.

## SACRILEGIOUS.

"Do you believe in Buddha?" "Of course, but I think oleo-margarine is just as good."

## Church Quiz

Can You Name This Church?

Clue... (WELLS ORGANIZATION) Weddings amongst the skyscrapers.

Answer... Little Church Around the Corner, 1015 Main Street, Hamlin.

## Mrs. Brannon to Go to State Federation Meet

Mrs. Wilson Brannon will represent the Hamlin Fifty-Two Study Club at the state convention of the Texas Federation of Women's Clubs in Galveston Monday through Wednesday.

Mrs. Brannon is the newly installed president, and in past years has been active in club work as an officer or chairman of outstanding committees. She is also First District chairman of Europe and International Affairs.

Marriage is the process of finding out what sort of a guy your wife would have preferred.

## Good Neighbor Group Thanks People for Hearty Cooperation

Officials of the Good Neighbor Home Demonstration Club of the Nienda community have issued the following statement:

Clubs throughout our land are celebrating May 1 through 7 as National Home Demonstration Club Week. We, the Good Neighbor Club of Nienda, wish to announce our participation in this celebration by taking this means of thanking all of those in our club and our community for their splendid cooperation in everything we have undertaken the past year.

We are proud to say that all of our drives for needy causes have been huge successes.

Our club is one of the largest and most active in the county. Each and everyone of us feels that we are better citizens and better homemakers for the work we are doing. Again we say, thank you for all the help you have given us.

## Patsy Ruth Parker to Marry Abilene Man

Mr. and Mrs. Ben Parker of Hamlin are announcing the engagement and approaching marriage of their daughter, Patsy Ruth, to William Paul (Buddy) Woods Jr., son of Mr. and Mrs. William Paul Woods Sr. of 881 Willis Street in Abilene.

Date for the wedding has been set for Friday, May 27, at the home of the bride's parents in Hamlin.

### High School Junior-Senior Banquet Features Native of China in Address

A native of China, Dr. Sheridan Lee of Wayland College at Plainview, was guest speaker for the annual Junior-Senior banquet of Hamlin High School last Tuesday evening. The affair, in colorfully decorated banquet room, was staged at the Primary School cafeteria.

Following the invocation by Mrs. Austin Poe, one of the senior class sponsors, welcome was given by

### Three from McCaulley Attend State FHA Session at Galveston

Two students of the homemaking department at McCaulley High School and their sponsor attended the state FHA convention at Galveston last Thursday and Friday. Attending were Pat Griffin and Nadene McCright and their advisor, Mrs. B. M. Robinson.

Theme of the two-day session was "Peaceful Thinking, Peaceful Living." One of the featured speakers was Rev. Walter K. Keir of Tyler, chairman of the Texas Youth Council.

More than 4,000 girls and their sponsors from all parts of Texas registered for the convention.

Dennis Johnson of the junior class, and Billy Kelly, senior class president, responded for the honorees. Kenneth Hewitt, president of the junior class, was master of ceremonies for the evening's program.

A trio composed of Judy Brannon, Eli Borden and Rodney Spaulding, sang two numbers, being accompanied by Melba Ueckert. Mrs. Charles Scott and Harry Martin, junior class sponsors, were presented gifts by L. Sara Dean and Clarence Parker for the host group.

Linda Wallace, senior girl, was elected "sweet girl graduate" by secret ballot during the dinner hour, and later was presented a horseshoe of red roses tied with a baby blue ribbon bearing the words in silver, "Seniors '56." The presentation was made by Kenneth Hewitt.

Dr. Lee, professor of biology at Wayland College since 1949, urged the students in his address that they train their minds and develop high ideals for the good of themselves as well as America. He stressed the need of patriotism in every one of them and told of how Communism had overrun his native country and is trying to do the same in the United States. He told how difficult it is to get

### County 4-H Club Girls To Give Dress Review

Jones County 4-H Club girls will stage their annual dress review Monday evening, May 2, at 7:30 o'clock at the Anson High School auditorium. Everyone is invited to attend.

Judging of the dresses will be Saturday, April 30, in the office of the home demonstration agent, Jimmie Lou Wainwright. The judging will begin at 9:00 a. m. Judges will be Mrs. Mary Brown, Foard County home demonstration agent, and Billy Reynolds, Young County home demonstration agent.

### Bluebird Group Tours City Water Works

Members of the Robin's Kin group of Bluebirds met for their regular meeting Tuesday afternoon. The group toured the city water works. Bill Rountree, was guide for the tour and explained how the city water supply is purified.

Those who attended were Mary Margaret Maberry, Lou Ann Hawkins, Sunny Teague, Mary Ann Hymers, Lagena Weaver, Dottie Albrighton, Peggy Watson, Betty Jane Robertson, Gloria Jenkins, Mary Debs Rountree, Hollyn Bryson, Sandra Jayroe, Mrs. Delbert Rountree and Mrs. Willard Maberry.

Dry ice is solidified carbon dioxide.

an education in China, what hardships it imposes on one's family.

Theme for the banquet was "Honoring the Seniors." Table decoration, fashioned of styrofoam and colored pipe cleaner figures, told in miniature scenes the life of a student beginning his senior year and continuing all through his life until his child begins school.

A miniature school bus taking the student to school begins the story, followed by a typical classroom scene. The next group showed the various organizations open to senior students in Hamlin High School, such as Glee Club, Band, National Honor Society, FHA, FFA, Student Council, etc. The next scene was from the senior play presented in March. Then the "money saving seniors" working at projects to finance their senior trip.

Sophomore girls, wearing clever "slime" caps, served the meal.

Various committee handling arrangements for the outstanding social event of the year were directed by: Joye Bigham, decorations; Paige Baize, program; Judy Brannon, menu; Melba Ueckert, invitations; and Betty Jane Crawford, arrangements.

### Six from Hamlin Attend State Meeting Of FHA at Galveston

Four members of the Hamlin chapter of Future Homemakers of America and two adult leaders attended the annual convention of the Texas Association of Future Homemakers at Galveston last Thursday and Friday.

Leaving last Wednesday morning were Ann Cochran, Elizabeth Norton, Reba Roland and Jean Powell, and Mrs. Joe W. Carter, homemaking teacher and sponsor, and Mrs. J. D. Cochran. The group stayed at the Hotel Galvez, overlooking the Gulf of Mexico.

Thursday morning Mrs. Carter and Elizabeth Norton, Area IV pianist, attended a state music committee meeting to plan music for the convention.

Friday morning a girl from Germany spoke on "How lucky the girls of America are to have an organization like FHA to develop character, leadership and better homes in the future." Rev. Walter K. Keir, pastor of the First Methodist Church of Tyler, spoke on "Peaceful Thinking, Peaceful Living."

The girls attended a barbecue luncheon and fish fry dinner Friday served by Walter Jetton of Fort Worth.

Ann Cochran received her state degree Friday afternoon. This is the highest honor a FHA member can achieve.

Friday night the group was entertained by several skits by Areas VI and X on the subject "Living Is Fun."

Saturday morning, Elizabeth Norton accompanied the 4,000 FHA members and sponsors in group singing. Reba Roland, president of the Hamlin FHA and voting delegate of the local group, attended the meeting of delegates which was presided over by State President Jane Cogle of Comanche.

### Alfred Martinez to Participate in Yakima Maneuvers by Army

Corporal Alfred Martinez, 21-year-old son of Mr. and Mrs. J. A. Martinez of Hamlin, is among 26,000 soldiers slated to participate in Exercise Apple Jack during May at the Yakima Firing Center, Washington.

Apple Jack will test the efficiency of infantry and support units in mountainous and desert terrain. The simulated use of atomic weapons will be one of the conditions of the exercise.

Corporal Martinez, an assistant squad leader in the Second Infantry Division from Fort Lewis, Washington, is a veteran of service in Korea. He entered the Army in November, 1952.

Vacation: When you go away for a little change and come back with a lot less.

### Time Now to Plant Soil Building Crops In Hamlin Region

Guar planting time is just around the corner, and farmers and ranchers who are interested in planting guar should locate their seed and inoculant, according to officials of the California Creek Soil Conservation District.

Guar is planted in this area around cotton planting time. Use regular maize plates and plant to the depth of two to three inches. Guar can either be planted by itself, and be used as a seed and soil improving crop; planted with sudan for grazing; or planted with sorghum for bundle feed.

If guar is planted with sorghum for bundles, it would be better to grind the bundles or run them through a hammer mill to enable livestock to better eat the guar beans. Guar usually composes one-third to one-half of the mixture.

Be sure to inoculate guar beans with the right inoculant and follow directions on the can. There is a good supply of locally grown guar beans available in the district. See your feed dealer or some farmer who planted guar last year. Talk to some of the many men who planted guar the past few years and let them tell you their experiences with it.

### Santa Fe Carloadings For Week Above 1954

Santa Fe Railway System carloadings for the week ending April 23, 1955, were 23,668 compared with 20,108 for the same week in 1954. Cars received from connections totaled 13,283 compared with 11,290 for the same week in 1954.

Total cars moved were 36,951 for the same week in 1954. Santa Fe handled a total of 36,012 cars in the preceding week of this year.

### Salk Vaccine Given More Than 200 Friday

Administration of the Salk vaccine anti-polio shots to more than 200 students in the first and second grades of the Hamlin schools went off last Friday with little ado, reports Superintendent of Schools I. R. Huchingson.

Vaccinations were given by Dr. M. L. Smith and the school nurse, Mrs. Bob Crowley in rapid fire order at the Hamlin Primary School Building and the DePriest Colored School. Assisting were Mrs. Hazel Higdon, Mrs. J. C.

Turner Jr. and Mrs. Junior Rey nolds.

Vaccine was administered to 208 white children and 21 colored children in the Hamlin campaign.

### MISENER PROMOTED.

Mr. and Mrs. M. T. Hudson had word from their daughter of Los Angeles, of a promotion for their son-in-law, Major Earle C. Misener, who is stationed in Korea. Major Misener will be returning to Los Angeles in July. Mrs. Misener and two sons, Bobby and Richard, live in Los Angeles.

# Funeral Rites for Dr. Carl C. Rister Held at Lubbock

Final rites for Dr. Carl C. Rister, 65-year-old nationally known historian and authority on the history of the Southwest, who has lived for several years in Lubbock, were conducted Sunday week at Lubbock.

Dr. Rister, well known to people of the Hamlin area, having married the former Mattie May, daughter of Mrs. M. P. May of Hamlin and the late Mr. May, was at the time of his demise a professor at Texas Technological College at Lubbock. He died Friday week at the home of his wife's sister and husband, Dr. and Mrs. J. Frank Johnson at Rotan. He died of a heart ailment from which he had been suffering for the past two years.

From 1915 through 1918 Dr. Rister served as superintendent of schools at Hutto, O'Brien and McCauley. He joined the teaching staff of Simmons College at Abilene in 1920 as an assistant professor of history and had risen to the rank of professor when he left the college in 1929.

He joined the faculty of the University of Oklahoma as associate professor of history in 1929 where he served until 1935. In 1935 he was named chairman of the department of history and served in that capacity until 1945. He then served at Oklahoma as research professor until 1951 when he accepted a post as distinguished professor at Texas Technological College.

Dr. Rister is the author of 11 books and is contributor of chapters and articles to the Dictionary of American History, Scribner's Atlas of American History, and Harold Williamson's Growth of the American Economy.

Funeral services were held at the First Baptist Church in Lubbock with Dr. Ralph Grant, pastor, officiating. Several people from Hamlin attended the rites.

Dr. Rister's survivors include his wife; one brother, Claude Rister of Santa Ana, California; and two sisters, Mrs. Bell Campbell of Quanah and Mrs. Pearl Mealer of Santa Ana, California.

Approximately 7,000 islands compose the Philippines.

**ANGRY TAX OPPONENTS SHOUT PROTESTS**—A group of enraged House members hurl verbal protests at House Speaker Jim Lindsey for bringing a tax bill to a vote in Austin. At the microphone is Representative Joe Pool of Dallas. In left foreground, bellowing his complaint, is Representative Homer K. Kolbia Sr. of Columbus. At left just back of Kolbia is Guy Hazlett, Borger, and at extreme right is Don Kennard of Fort Worth.

## Shares in Stamford Manufacturing Firm Being Offered

Herbert Gordon, corporate financier who has a splendid record of achievement in financing corporations, is in the Stamford area now to assist the Feldt Manufacturing Company, Inc. in disposing of its treasury shares and bonds, according to company officials.

An advertisement in today's Herald on page three explains details of the offering.

It was pointed out by Mr. Feldt that "treasury shares" will be offered first to residents of the county and trade territory. Feldt further stated that Mr. Gordon will act as director of sales in the securities division of the company.

"Gordon comes to Stamford well recommended," Feldt added, "having completed several issues in the East and Middle West.

"We were fortunate in securing the services of Gordon," Feldt declared, "because he chose the Stamford opportunity over a number of other offers that were extended to him at this time, chiefly because of the merit of the product, the background and experience of the officers. With the cooperation of Stamford and the trade residents and others, Feldt stated that the new arrangements would be productive of sufficient working capital to get the company on a larger substantial production basis in a very short time.

## Hamlin Memorial Hospital

Patients admitted to the Hamlin Memorial Hospital since last week's report in The Herald have included: Darlene Josey, medical, April 19; Mrs. Wilson Brannon, medical, April 20; Mrs. R. T. Whitehead of Blackwell, medical, April 19; Mrs. J. B. Perry, medical, April 19; Wesley Cummings, medical, April 19; Mrs. E. C. Smith of Sylvester, medical, April 20; Mrs. Buddy Hodges of Anson, ob., April 22; Wayne Swindle, medical, April 21; Mrs. A. D. Hardy of Sylvester, ob., April 21; Mrs. Roy Mauldin, surgery, April 20; Tommy Hood of Sylvester, medical, April 22; Dorothy Self of Sylvester, medical, April 22; Mrs. J. W. Bevels, medical, April 23; Mrs. John Brown Jr., surgery, April 22; Mrs. O. C. Stice, medical, April 23; Mrs. W. C. Pruitt, ob., April 22; Marcus Ramon of Rotan, medical, April 23; Yolanda Orona, medical, April 23; Mrs. Tom Holman, medical, April 22; Jess Siebold, medical, April 24; Mrs. Bill Maddox, medical, April 23; Mrs. L. E. Hines, medical, April 25; Mrs. Ned Ward of Aspermont, medical, April 24; Dean Witt, medical, April 24; Mrs. Jesse Stanford, medical, April 23; G. W. Martin, medical, April 23; Jimmy McElvay of Sylvester, surgery, April 25; Rita Maynard, medical, April 25; Mrs. Jimmy Dugan, medical, April 25; Mrs. Wayland Woolf, ob., April 25; Homer Raney, medical, April 25; Evelyn Kidwell, medical, April 26; Mrs. Blake Davis of Aspermont, medical, April 25.

Patients Dismissed—Mrs. J. R. Yocham, April 18; Harry O'Neal, April 20; Tommy Yocham, April 18; Joe Yocham, April 18; E. R. Watson, April 22; W. D. Hoskinson of Aspermont, April 23; Jimmy Forbes of Longworth, April 22; Mrs. Nancy Stewart, April 23; Mrs. J. W. Perryman Sr., April 23; Teddy Masser, April 22; Mrs. L. G. Masser, April 20; J. D. Miller, April 15; Mrs. Joe Clark of Roby, April 20; Terry Gregory, April 24; Sally Smith of Roby, April 21; Mrs. J. L. Warner, April 21; Darlene Josey, April 21; Mrs. Wilson Brannon, April 23; Mrs. R. T. Whitehead of Blackwell, April 23; Mrs. J. B. Perry, April 21; Wesley Cummings, April 22; Mrs. Buddy Hodges of Anson, April 26; Wayne Swindle, April 24; Mrs. Roy Mauldin, April 24; Dorothy Self of Sylvester, April 25; Mrs. O. C. Stice, April 25; Mrs. W. C. Pruitt, April 23; Marcus Ramon of Rotan, April 25; Jess Siebold, April 25; Jimmy McElvay of Sylvester, April 26; Mrs. Jimmy Dugan, April 26.

## Annual Rodeo for Rice Springs Set at Haskell May 12-14

Plans have been completed for Haskell's second annual Rice Springs Roundup to be held May 12, 13 and 14 at the Saddle Tramp rodeo grounds in that city.

The three-day event will be the first major rodeo program of the season in this section, and from the number of advance inquiries being received, is expected to attract some of the outstanding rodeo talent of the Southwest, promoters who were in Hamlin this week declared.

Cash awards of more than \$2,000 will be paid winners in the various events. In addition, a hand-made saddle will be awarded the champion roper.

The roundup will be presented under auspices of the Saddle Tramp Riding Club, and rodeo stock will be furnished by Pitner Foreman of Denton. They have advised sponsors that some of the wildest stock they have ever assembled will be used in the Haskell shows.

Six events will be presented nightly, including bronc riding, calf roping, Brahma bull riding, cutting horse contest, double mugging, and cowgirls' clover leaf barrel race.

The barrel races will be strictly amateur on a jackpot basis with \$50 added money. Competition in all other events will be open to the world.

## Hamlin Senior Tells Rotarians of Recent Class Trip

Walter Willis, senior student at Hamlin High School, gave highlights of the recent senior trip to New Orleans, Louisiana, as the program for the weekly luncheon session of Hamlin Rotary Club Wednesday at the oil mill guest house.

Riding in two special pullman cars on The Eagle, crack streamlined train of Texas & Pacific Railway, the senior group spent three days sight-seeing in the New Orleans area. Among outstanding points of interest for the students, young Willis explained, were the Huey Long bridge across the Mississippi River, which is 36 stories high; gulf coast sites at Biloxi; Ormand's restaurant, Old French Quarter, St. Louis Cathedral and Jackson Square in New Orleans; visits to famous homes of the delta; and a steamboat ride up the Mississippi.

Besides the speaker, other visitors at the Wednesday luncheon were R. B. Bryant of Stamford; Bailey Routh of Dallas; George Menninger, Ed Stewart Jr., Tommy Connerly, Lester Barry, Frank Lowe and Marshall Moore of Abilene.

**SPRINT SENSATION**—Bobby Morrow, lanky freshman of Abilene Christian College (pictured above), is the latest sprint sensation of the Southwest. He has run the 100-yard dash in 9.5 and the 220-yard dash in 20.5 this season. Bobby's coach, Oliver Jackson, terms him "the finest freshman sprinter I ever have seen." He is six feet two inches high and weighs 175 pounds.

## Hamlin Area People Continue Purchases of U. S. Savings Bonds

Hamlin area people continue to make nominal purchases of United States savings bonds, according to Nathan Adams and Ed Gossett, state savings bond co-chairmen, in a release to The Herald.

Texasans bought nearly \$56,000,000 worth of bonds during the first quarter of 1955.

March sales of Series E and H bonds combined were \$15,129,724—17 per cent above the same month of last year, Adams said. The three-month total of \$55,000,000 was 24 per cent greater than the first quarter of 1954.

"With a fourth of the year gone," the co-chairmen's report stated, "we have attained 27.7 per cent of our annual goal of \$201,000,000. Sales are traditionally better in the first quarter, however, which means that we must step up our efforts in Texas in order to do our part in meeting the national goal of \$5,500,000,000 in 1955."

Alcohol boils at a lower temperature than water.

# Interscholastic League Regulations for Players Prohibit Pay for Outside Play

Eligibility of players on Texas high school athletic teams participating in interscholastic league events is strict, according to L. R. Huchingson, superintendent of Hamlin schools, who is an official of the state interscholastic league group.

In order that a student may not endanger his eligibility of high school playing, he presents the following rules that may affect boys or girls of any high schools of this area:

The amateur rule is violated when any pupil receives cash or valuable consideration for teaching, officiating or participating in any athletic sport or game, or who in any game outside of games played as a member of his school team or interscholastic league, has within the last 12 months competed on an athletic team with a paid player or for valuable consideration has allowed his name to be used for the promotion of any product, plan or service.

The following activities are considered athletic sports or games: Baseball, basketball, bowling, boxing, football, golf, rodeo events, softball, swimming and diving, tennis, track and field, weight lifting and wrestling.

This rule does not apply to pupils under 15 years of age at the time payment for athletic services was made. A pupil adjudged by an appropriate committee to be in violation of this rule is ineligible for one year from the time of violation.

It should be noted that in baseball a boy may play against a paid player, but he may not play on the same team with a paid player.

Acceptance of cash or valuable consideration by someone else for the boy is evading the amateur rule, and should be interpreted the same as the boy receiving these items. Acceptance of golf balls, bags, clubs, etc., and the playing of any golf team with a paid player is in violation of this rule.

The signing of a letter of intent for athletic ability is in violation of this rule.

Violation of the amateur rule results not necessarily from participating in a rodeo event but from accepting cash or valuable consideration. In other words, a pupil may enter a rodeo contest as an individual entry and win the event without violating the amateur rule, but if he accepts cash or valuable consideration he is in violation of this rule.

A boy may participate in summer baseball under the following conditions and not violate the league's amateur rule:

1. He must not play on the same team with any paid player or any player who receives valuable consideration. He can play against other teams which may have paid players.

2. He cannot receive any expense money of any type for travel, meals or lodging. Any expense money must be handled by the manager of the team in the same way that high school coach would handle the funds, and the boy must never receive any cash or transportation tickets.

3. Any money that may accrue from the gate receipts or from any other source cannot be distributed among players on a team without those players becoming paid players. If a high school boy played on this team he would then become ineligible as he has played with paid players.

4. It should be kept in mind that any collection taken up at a game as a result of a person hitting a home run or doing any other outstanding feat would make the player accepting this money a paid player, and all players on that team would then become ineligible if they were high school students.

Be sure that the local manager of any baseball team on which school pupils play knows the league's amateur rule and will abide by it, and above all, that he is a man of integrity and honesty.

## Hamlin Girls Place in Area League Contests Held at Brownwood

Both entries in the regional interscholastic league contests at Brownwood Saturday from the commercial department of Hamlin High School placed.

Amanda Freeman, daughter of Mr. and Mrs. O. C. Freeman, placed seventh in the shorthand contest of 43 entries. The contest was based on taking dictation at 90 words per minute for five minutes and being able to transcribe this in 45 minutes. Amanda transcribed her notes in 22 minutes with 93 per cent accuracy.

At the same time Joyce Bigham, daughter of Mr. and Mrs. J. H. Bigham, entered the typing contests with 46 others from this region and placed eighth. The typing contest was based on a 12-minute time writing with a score being figured on the per cent of accuracy plus the net words typed per minute. Joyce had a total score of 128.62. She typed 46 net words per minute.

Dora D. Mitchell, business instructor, accompanied the girls to Brownwood and was well pleased that Amanda and Joyce placed so high because there was a lot of stiff competition from good students in this region.

**MYSTERY FARM PICTURE** (above) printed in last week's Herald in the series of aerial views of area farm and ranch homes was correctly identified first by Mrs. V. M. Bond of Hamlin as the W. C. Eoff place, three and one-half miles southeast of town. The 192-acre place is devoted to row crops and raising of fine Jersey and Hereford cattle. Mrs. Bond will receive a one-year subscription to Your Home Town Paper.

## Mrs. V. M. Bond Identifies Mystery Farm Picture First

Mrs. V. M. Bond of Hamlin was the first to correctly identify the mystery farm picture printed in last week's Herald in the series of aerial views being run in Your Home Town Paper as a news feature. She will receive a one-year subscription to The Herald.

The aerial view was that of the W. C. Eoff farm, three and one-half miles southeast of Hamlin. The Eoffs purchased the 192-acre farm from Mrs. W. H. Birdwell 13 years ago. Mrs. Birdwell, the mother of Mrs. W. L. Fletcher of Hamlin, now is living in Abilene.

Since purchasing the place that has been a landmark of the Hamlin section, the Eoffs have made a number of improvements. They built a three-bedroom home on the place and also added several other structures. Most of the farms area is devoted to row cropping of cotton and grain sorghums with some wheat and oats being raised. Clifford L. Eoff, senior son in Hamlin High School, has 17 registered Jersey cattle running on the place. The Eoffs also have some registered Herefords on the pasture areas.

Soil conservation practices have been in use on the Eoff farm, which has been terraced and contoured for several years.

## Transfers for Students Must Be Made in May

All school patrons in Jones County who intend to send to a school district other than the one in which they reside should call at the county superintendent's office within the month of May to investigate the need for transfer, according to announcement made this week by Everett Beaver of Anson, county superintendent.

If it is found there is need for transfer, the application must be made and filed with the county superintendent on or before the first of June, Beaver says.

## Hamlin Guardsmen Participate in Alert Tests at Stamford

All 11 Hamlin members of the National Guard unit at Stamford responded within an hour to the huge practice maneuver, "Operation Minute Man," last Wednesday night, reports Lieutenant Joe E. Ford of Hamlin. The test was to determine the availability of military units all over the country to an alert call in case of an emergency.

Within 60 minutes 70 per cent of the company strength with four officers of Company M, 142nd Infantry, had mobilized and was ready to move out within an hour of the alert call. Seventy-two enlisted men had reported within three hours.

The project carried out was the guarding of the post office square and downtown Stamford was transformed by brisk military activity within a short time.

Weapons, including machine-guns, recoilless rifles and mortars, were set up on the square, and the company kitchen was put into operation.

Guardsmen reported to Stamford from Haskell, Rule, Hamlin and Abilene.

From Hamlin, besides Lieutenant Ford were Master Sergeant Elvin Hill, Sergeants James Maiberry, Jack Herd and Billy J. Jordan, Corporals Fred Winslett and Aubrey Hought, and Privates Lawlis and E. P. Mendoza.

## Hank Williams and Band to Be at Stamford

Hank Williams and his orchestra will be featured this (Friday) evening at the Roundup Hall in Stamford in a dance. People of the Hamlin area are invited to attend.

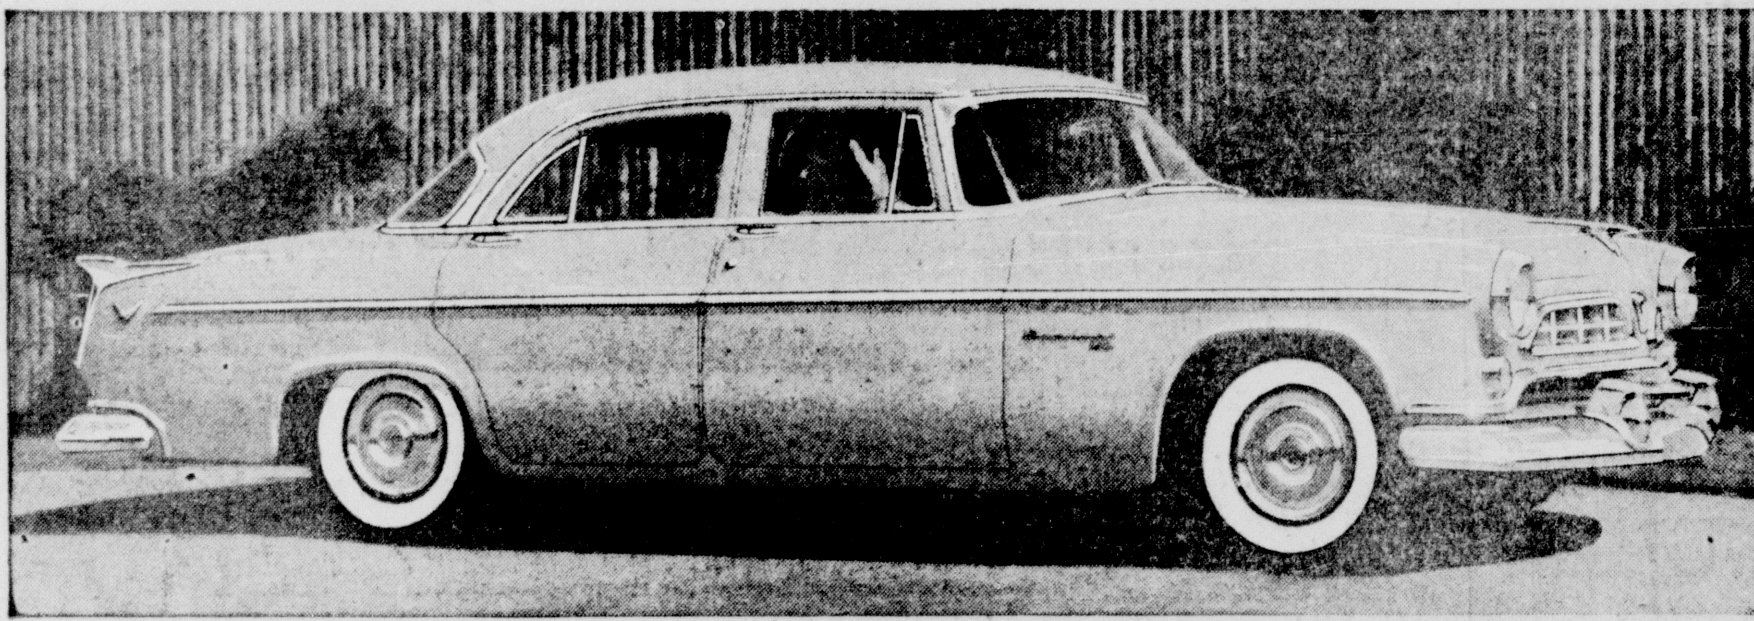

Hank Thompson, declare those who manage his shows, is one artist who has never had any trouble in writing good songs. Hank records exclusively for the Capitol folks, and since his start with them over eight years ago, has sold over 12,000,000 records. Hank has had two records that sold over 1,000,000 copies each. They were "Humpty Dumpty Heart" and "The Wild Side of Life."

## Supplemental Cash Crops for This Area Urged by Agent

With the approach of planting season, most Hamlin area farmers have completed their plans for the 1955 growing season—if it rains, declares County Agent Bill Lehmborg, who recommends cash supplemental crops.

Two supplemental cash crops that should be given some thought are guar and sesame. Generally speaking, guar made more cash return per acre than maize in Jones County in 1954, the agent points out. It is planted about the same time as cotton at a depth of one and one-half to two inches and at the rate of five to six pounds. It should be inoculated and planted in rows and not broadcast. Seed is available at local seed and feed stores.

Sesame, an oil producing crop, also is planted in rows and on a fine, firm seed bed. In Jones County it should be planted between May 15 and June 20. The rate of planting is one pound per acre which allows about one seed per inch in the row.

To get best results, "Planet Jr." vegetable planter boxes should be used, and these can be mounted on standard planter frame. These boxes can be ordered by local machinery dealers. Since it is a semi-shattering crop, it must be cut and shocked, then combined. A new non-shattering variety will probably be available by 1956.

Those interested in planting sesame should contact W. M. Moore, Jones County veterans' vocational coordinator, and secure a contract and seed order blank. The contracts and seed order blanks can also be secured at the county agent's office.

### HAD HIS PLANS.

A little boy, caught in mischief, was asked by his mother: "How do you expect to get into heaven?"

He thought a minute, and then said: "Well, I'll run in and out, and in and out, and keep slamming the door till they say, 'For goodness sake, come in or stay out.' Then I'll go in."

## New Tricycle Tractors By Ford Announced By Anson Dealership

Ford Motor Company is now producing three new tricycle farm tractors in two power series, as well as front-mounted implements for the new tractors, according to Arvell Watts of S. & W. Tractor Company in Anson, distributor for this area.

"We extend a cordial invitation to all farmers and others interested in farm machinery to visit our showroom at 1202 12th Street in Anson on April 29," Mr. Watts said. "We will have the new equipment on display starting at 8:00 a. m."

Power-spread rear wheels are a major feature of the new tractors—first tricycles ever built by Ford. Instead of wrestling 300-

### RESULT OF DROUTH?

A mountaineer on his first visit to a town of any size was fascinated by the asphalt streets. Scratching his feet on the hard surface, he remarked:

"Well, I can't blame 'em building a town here. The ground is too darned hard to play, a how."

pound rear wheels by hand obtain spacing for various field needs, the operator uses the tractor's own power to turn the wheels to obtain the desired spacing in one-inch increments from 76 inches (from 64 to 84 inch with the discs reversed).

Front-mounted equipment designed for use with the new Ford tractors includes two and four row cultivators with planter, fertilizer and side-dresser attachments, according to Watts.
